

OUR WEST AUSTIN NEIGHBORHOOD STRONGLY SUPPORTS THE FINAL DRAFT MAP IN WHICH DISTRICT 10 EXTENDS TO LADY BIRD LAKE AND MOPAC. We believe the current District 10 groups us with our single family neighborhood communities of interest by including us with other single family neighborhoods in the interior northwest hills area near 360. Bryker Woods has had problems in the past with folks who live downtown in Condo-land dictating what happens to our small little area. STR's have become a huge issue, as have stealth dorms. We have wonderful neighborhood schools and close relationships with our neighbors. We don't want what's good for downtown folks to override what is best for a family-friendly, middle class area. Too many neighborhoods have had problems and have been ruined by a city council that's far too interested in getting on yet another magazine Top Ten of Anything list, instead of trying to make Austin a liveable city for real people, not just college kids and tourists. We're the ones paying taxes and working hard for our families.

Please think of us and our issues when you decide on the final maps.

Thank you,

Sara Simpson
