

Commissioners:

Please consider this trade of Precincts between District 8 and District 5:

307 (Stratford Lane by Zilker Park) about 402 population Take from District 8 and Move to District 5

356 (Zilker Park / Barton Skyway) about 2825 population Take from District 8 and Move to District 5

And in order to keep our numbers up, please add this precinct to District 8 from 5:

309 (east of Shady Hollow) about 3,015 population Take from District 5 and Put in District 8

Lost Creek will be annexed in 2014 into District 8 with a population of about 3,800.

So, the result would be that Zilker Park and Barton Skyway on the east side of MOPAC and Stratford Lane next to Zilker Park and on the River, would go into District 5 where it belongs, in our opinion.

Thanks,
