

Dear Sirs,

I live in NW Austin, and I do absolutely support the maps drawn up on **November 6, 2013. I Do absolutely identify w/ central Austin, and would like to vote with other people, and be represented by someone who understands the traffic, development and school district issues.**

**(Sorry for the cut and paste, but when I get tired, I don't say things too well! )**

**Thank you, thank you! Joan Laves**
