

To whom it may concern,

I live in NW Austin. and I strongly support the District 10 that starts above 2222. PLEASE go back to the September 28 the map and move the southeastern boundary to Start at 2222, but otherwise follow the ICRC map from September 28th.

I harbor no ill will to residents in Tarrytown, Brykerwoods and Rosedale, but I want NW Austin would like to remain with other similiar communities of interest."
