

Motion Sheet #105

**First Motion**

I move to amend Part 3, Section 25-2-863 (F) of the draft ordinance to prohibit processing and composting of fowl or rabbits in Single Family residence zoning. Subsection (F) would read as follows:

(F) Raising of fowl, rabbits, and aquatic foods using an aquaponic system is permitted in accordance with Chapter 3-2 (*Restrictions on Animals*) of the City Code. Processing and composting of fowl and rabbits is prohibited in single family residence zoning districts. Where an urban farm use is permitted, processing animals must take place out of public view.

**Second Motion**

I move that this ordinance be effective in six months from the date of approval to allow urban farms to comply with this ordinance.
