

AUSTIN **B** *cycle*™

Annual memberships come with several perks specific to the membership:

- Member card: By swiping the member card with smart chip technology right at the bike dock, members can check out the bike they want bike directly avoiding the extra time at the station kiosk screen.
- Forget your card? No problem: You can still access the Austin B-cycle system using your credit card on file at the station kiosk.
- On-line calorie counter: Track how B-cycle is helping you lose a few pounds while being the fastest way to get from A to B downtown. Members can access calories burned through their online account.
- B-connected privileges: Get recognized in other B-cycle cities and access their bike share system with your Austin account. Check for participating B-connected cities.
- Value for regular B-cycle users: At 22¢/day, the annual membership is a great value for 24 hour/ 365 day access to Austin's bike share system.

Purchase at any station kiosk in the system with a credit card.
