Late Backup

PETITION

Case Number: **C14-2013-0087**

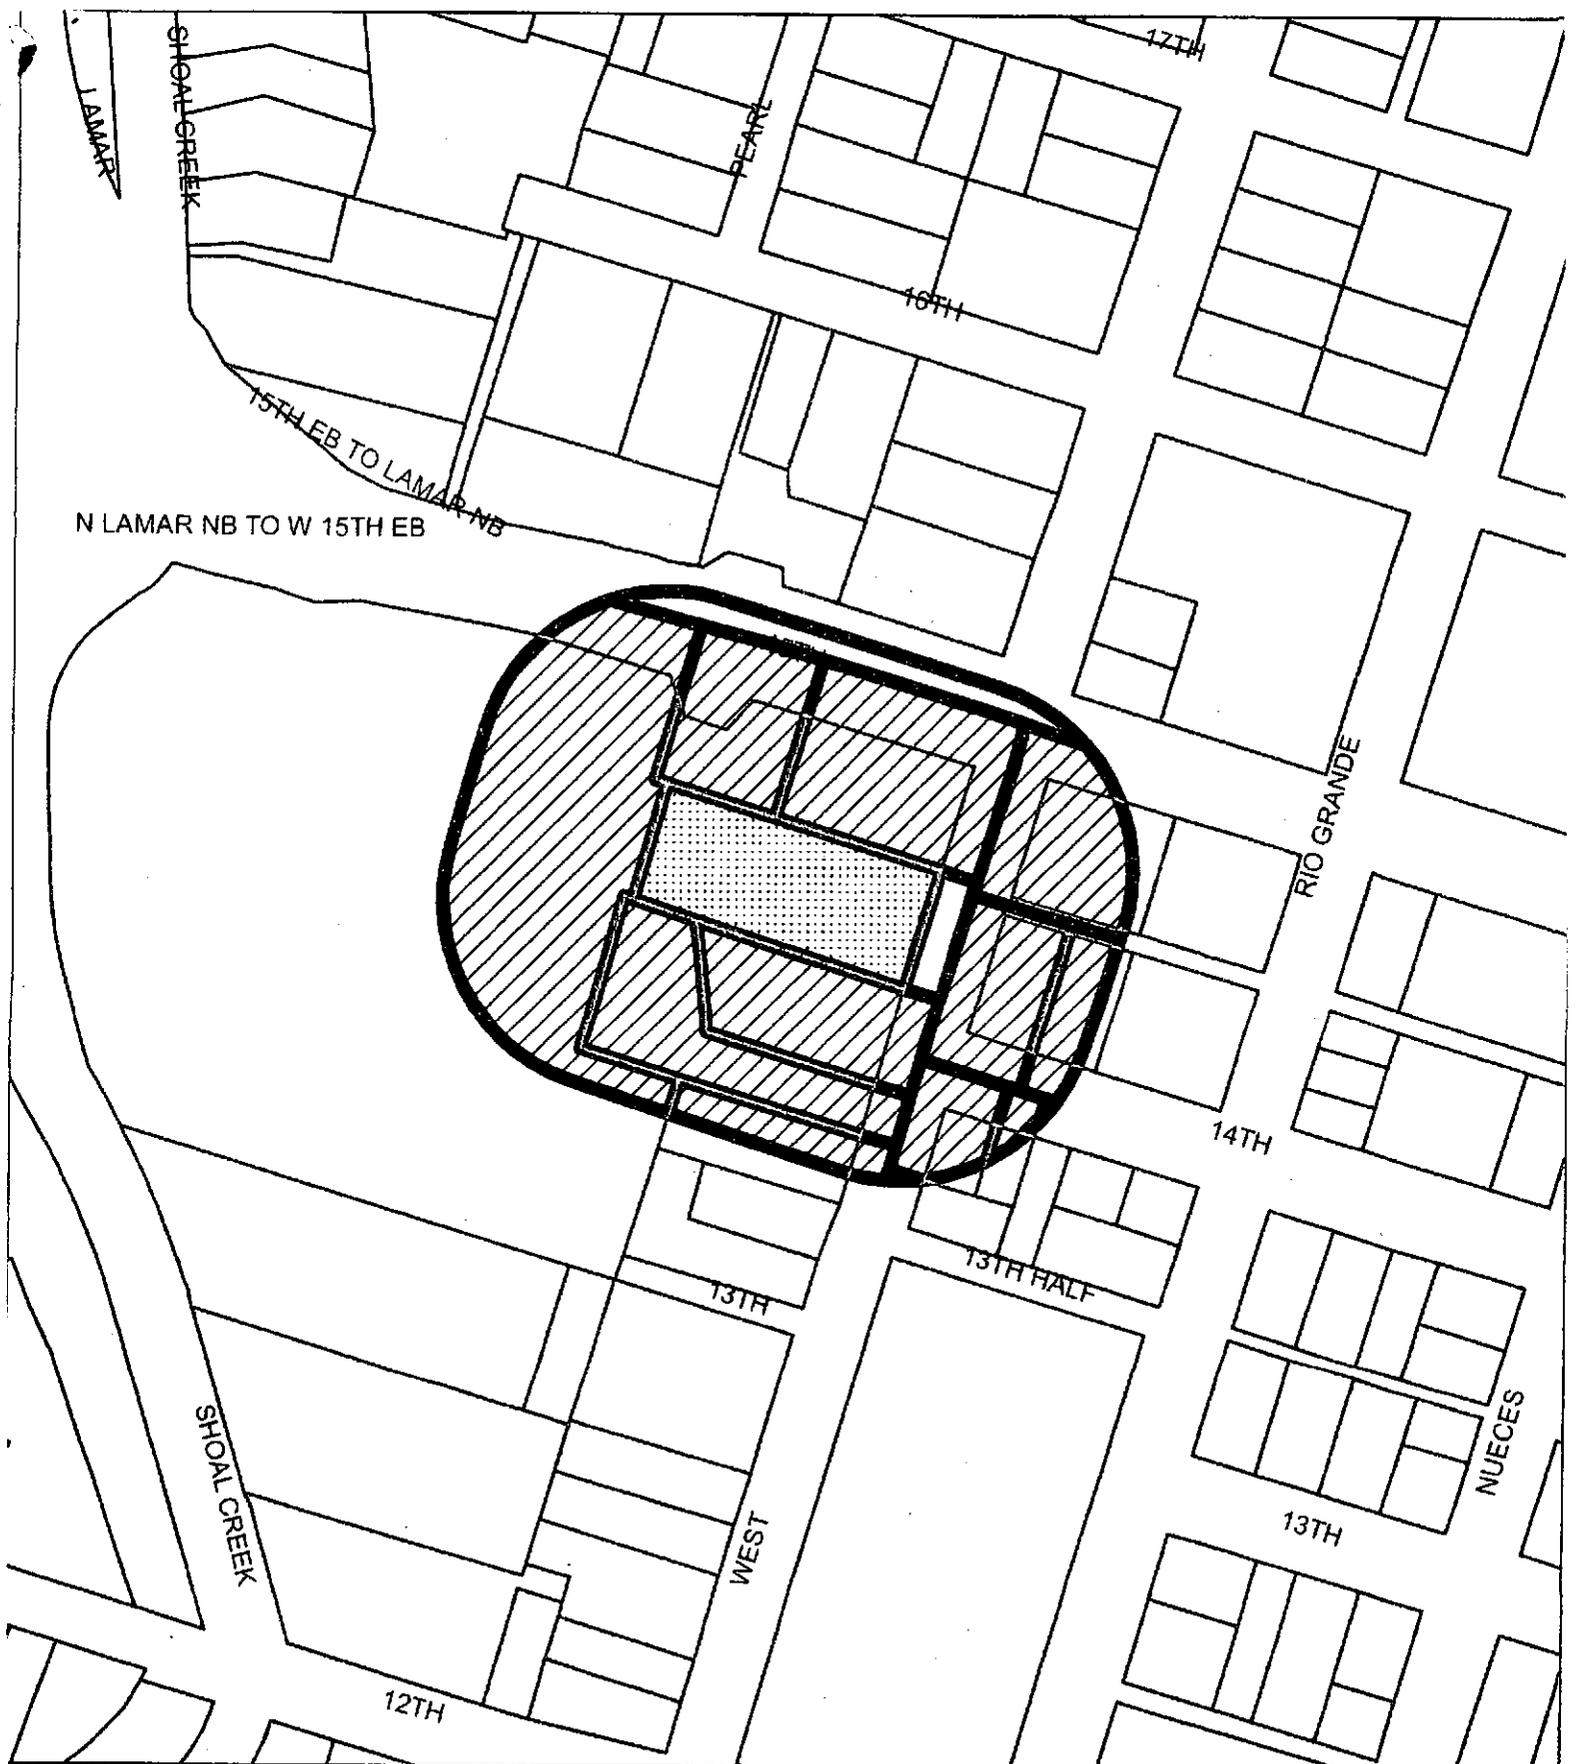

Date: 11/5/2013

Total Square Footage of Buffer:	297225.27
Percentage of Square Footage Owned by Petitioners Within Buffer:	16.11%

Calculation: The total square footage is calculated by taking the sum of the area of all TCAD Parcels with valid signatures including one-half of the adjacent right-of-way that fall within 200 feet of the subject tract. Parcels that do not fall within the 200 foot buffer are not used for calculation. When a parcel intersects the edge of the buffer, only the portion of the parcel that falls within the buffer is used. The area of the buffer does not include the subject tract.

#	TCAD ID	Address	Owner	Signature	Petition Area	Percent
