Additional Backup Information

This contract establishes a reliable source for repair parts and labor required for the maintenance and repair of the City's fleet of TYMCO street sweepers. Industrial Disposal Supply Co., Inc. is the only dealer authorized to provide equipment repair services and parts for TYMCO street sweepers in Texas.

These repair parts and services will be purchased on an as needed basis for general routine maintenance and repairs of the street sweepers. There are approximately nine TYMCO street sweepers in the current City's fleet. This contract is necessary to support the automotive and equipment fleet service centers with a reliable and continuous source of supply to purchase these parts.
