

MEMORANDUM

TO: Gilda Powers, Urban Transportation Commission Coordinator
Austin Transportation Department

FROM: Eric J. Hammack, Property Agent Senior
Land Management Section
Office of Real Estate Services

DATE: February 3, 2014

SUBJECT: F# 9249-1309 - Vacation of:

- 1) Whitis Avenue between West Martin Luther King Blvd. & West 20th Street .
- 2) Vacation of the Alley between Whitis Avenue & Guadalupe Street, and between West Martin Luther King Blvd. & West 20th Street .

Attached are the departmental comments and other information pertinent to the referenced street & alley vacation request in the U.T. area. All affected departments and private utility franchise holders have reviewed this request and recommend approval, **subject to area being retained as public utility easement, electric easement, and drainage easement, or relocation of existing utilities at developer's expense.**

The applicant has requested that this item be submitted for placement on the **February 11, 2014, Urban Transportation Commission Agenda** for their consideration.

Staff contact: Eric J. Hammack at 974-7079 or landmanagement@ci.austin.tx.us.

Applicant: M. Russell Davidson – Jose I. Guerra, Inc.

Property Owner: Board of Regents of the University of Texas System

Mr. M. Russell Davidson or his representative will be present at the meeting to answer any questions regarding the project, if needed.

Eric J. Hammack, Property Agent Senior
Land Management Section
OFFICE OF REAL ESTATE SERVICES

Re: Right-of-Way Vacation for Robert B. Rowling Hall at the University of Texas Graduate Business School

In accordance with the "Policies and Procedures for Requesting Street or Alley Vacations", we are transmitting a Vacation Application and supporting documents and requesting a preliminary meeting to discuss vacation of Whitis Avenue from Martin Luther King Jr. Boulevard to 20th Street, and the mid block alley immediately west running between the same streets. Please refer to the attached R/W Vacation Plan prepared by Jose I Guerra.

The purpose of the Street and Alley vacations are to allow a full block development as described in the "Policies and Procedures for Requesting Street or Alley Vacations". The University of Texas now owns the full block from Martin Luther King Jr. Boulevard to 20th Street from Guadalupe Avenue to Whitis Avenue and intends to develop it as part of their Graduate Business School expansion. They also own the full block east of Whitis Avenue, which was developed as the AT&T Executive Training and Conference Center (AT&T-ETCC). The vacation of Whitis Avenue is necessary to integrate this block development with the AT&T-ETCC development for both building and underground parking connections.

The following is in response to the itemized information request of the "Policies and Procedures for Requesting Street or Alley Vacations":

- 1) This is a commercial project.
- 2) It is unclear from the old plat whether the Street and Alley to be vacated were created by Plat, but it is the opinion of the project surveyor that they most likely were.
- 3) We have no indication that the City purchased the areas to be vacated.
- 4) The development lands and the Alley are all within the same Plat.
- 5) The areas to be vacated exist as paved street and alley, with utilities.
- 6) There are utilities in the areas to be vacated and it is the intent to relocate them at the applicant's expense.
- 7) The areas to be vacated are to be developed as the Robert B. Rowling Hall addition to the University of Texas Graduate Business School. This will be a multi-story building with several levels of underground parking. It is intended to connect the building and

underground parking to the adjacent University of Texas AT&T Executive Training and Conference Center.

- 8) A site plan has not been submitted.
- 9) The project is part of the University of Texas, but is not considered a unified development under City jurisdiction.
- 10) The project is not a S.M.A.R.T. Housing Project.
- 11) The project is anticipated for development in the next two years.
- 12) The current zoning on the adjacent properties is CS-NP.
- 13) The adjacent properties are currently developed.
- 14) There are currently surface parking lots on portions of the property proposed for development.
- 15) The parking requirements will increase with the proposed development.
- 16) Underground structured parking is proposed on the development site.
- 17) No agreements or easements have been executed with adjacent landowner(s) or in draft form. All properties adjacent to the areas to be vacated are owned by the applicant.
- 18) The areas to be vacated do not lie within the Austin Downtown Plan (DAP).
- 19) The areas to be vacated lie within UT boundaries: E. of Lamar Blvd., W. of I-35, N. of Martin Luther King Jr. Blvd and S. of 45th Street.

Please contact Russell Davidson, with Jose I. Guerra, Inc. (Cell 407-467-9537) if you have any questions and to schedule pre-application meeting.

Sincerely,

M. Russell Davidson, PE
Jose I. Guerra, Inc.
