McKinley heights Neighborhood Association

City of Austin's Board of Adjustments,

The McKinley Heights Neighborhood Association has consulted its members concerning the request for a code variance by Brandon McFarling for the property:

1301 Harvey ST

The members have no objections at all against widening the front porch by 7'4".

Sincerely,

A handwritten signature in black ink, appearing to read "Gerard Verkaart". The signature is written in a cursive style with a long, sweeping line extending from the end.
