

Customer Assistance Program

Customer Assistance Programs

Who are we?

The Customer Assistance Program (CAP) encompasses all of the City of Austin sponsored programs designed to assist moderate to low-income customers in regards to their utility bill.

What do we do?

The goal of the Customer Assistance Program is to maximize the participation of eligible City of Austin utility customers by better promoting and presenting these programs to utility customers, civic, public, and private organizations.

Why?

Austin Energy promotes programs designed to provide assistance to customers in the areas of financial support, case management, dispute resolution, energy efficiency improvements and water conservation.
