------------------------------	--

For More Information:	Shawn Willett, Sr. Business Process Consultant, 512-974-2554
------------------------------	--

Boards and Commission Action:	
--------------------------------------	--

Related Items:	
-----------------------	--

MBE / WBE:	This Interlocal Agreement is exempt from the MBE /WBE Ordinance. This exemption is in compliance with City Code Chapter 2-9D (Minority-Owned and Women-Owned Business Enterprise Procurement Program). No subcontracting opportunities were identified; therefore, no goals were established for this contract.
-------------------	---

Additional Backup Information

Approval of this interlocal agreement with The University of Texas at Austin will allow the City of Austin and The University of Texas at Austin to participate in the purchase of various types of goods and services through the use of contracts already in place through each jurisdiction's purchasing processes.

The ability to share competitive contracts between jurisdictions assists each to accomplish acquisitions more efficiently. Aggregating demand with other local jurisdictions should result in reduced unit prices for requirements because of increased volume.
