**Additional Backup Information**

The 2014 Miscellaneous Fog Seal Project is being undertaken as preventive maintenance for selected neighborhood streets across the City. The project involves the application of a tire rubber modified surface to 70 lane miles of roadway. Crack sealing may be required to repair the streets in preparation for the fog seal application and is included in the contract.

The contract allows 60 calendar days for completion of the project.

This project will involve various streets throughout the City and is managed by the Public Works Department.

Alpha Paving Industries, LLC is located in Round Rock, Texas.
