PROPOSAL

Demolish a ca. 1941 house and construct a two-story house in its place.

PROJECT SPECIFICATIONS

The applicant proposes the demolition of a ca. 1941 one-story house and the construction of a 2-story house in its place. The applicant has very recently met with the Bryker Woods Neighborhood Association Design Review Committee, and is, at the time of the preparation of this report, revising his plans for the house to address comments and suggestions provided by the neighborhood group.

RESEARCH

The existing one-story house was built in 1941 by Murray Graham, a local developer. It has a minimal traditional style that is typical of the neighborhood. The house was built by E. Philip and Ruth Bauer, who lived in the house for the rest of their lives. E. Philip Bauer was a civil engineer for the LCRA; he was one of the original employees of the LCRA and worked his way up to head engineer before he passed away in 1961. His widow, Ruth, remained in the house until her death in 1980.

STANDARDS FOR REVIEW

The house is contributing to the Old West Austin National Register Historic District, and is a minimal traditional house that exemplifies the original construction in the Bryker Woods neighborhood. The Old West Austin National Register Historic District has no specific design guidelines, but general design principles in historic district address compatibility of new construction with contributing houses in terms of scale, massing, materials, and fenestration patterns.

STAFF RECOMMENDATION

Encourage relocation over demolition, but release the demolition permit upon completion of a City of Austin Documentation Package, consisting of photographs of all elevations, a dimensioned sketch plan, and a narrative history, for archiving at the Austin History Center, and upon Commission review of the proposed new construction.

NOTE: Edward P. and Ruth Bauer are listed at 1500 Woodlawn Boulevard, Apt. 4; he was a civil engineer for the LCRA.

BIOGRAPHICAL NOTES:

E. Philip and Ruth Bauer (ca. 1941 – ca. 1980)

ERIC P. BAUER

Eric Philip Bauer, 63, 1710 West 30th Street, died in a local hospital Tuesday night. He had been a resident of Austin 23 years and was a member of University Presbyterian Church. Bauer was the second oldest employe of the LCRA, having served 25 years. He was head mechanical civil engineer, and was a member of the Texas Society of Professional Engineers.

Survivors are his widow; three sons, Walter Buell, a medical student in Galveston; Ralph Buell of Freeport and Sidney Buell of Dallas; mother, Mrs. Sylvia Bauer, San Diego; and brother, Walter L. Bauer, San Diego, Calif.

Funeral services will be held at Weed - Corley Funeral Home Thursday at 10 a.m. Dr. William Logan will officiate.
