185   Agent/Registrar, all as provided in the Twenty-Third Supplement, in accordance with the  
186   terms and provisions of a "Paying Agent/Registrar Agreement," substantially in the form  
187   attached as **Exhibit C**, and such reasonable rules and regulations as the Paying  
188   Agent/Registrar and the City may prescribe. The Pricing Officer is authorized to execute

192   company, financial institution or other entity qualified and authorized to serve in such  
193   capacity and perform the duties and services of Paying Agent/Registrar. Upon any  
194   change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a

196   postage prepaid, which notice shall also give the address of the new Paying  
197   Agent/Registrar.

198           Principal of and premium, if any, on the Bonds shall be payable at the Stated

206   Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar,  
207   requested by, and at the risk and expense of, the Holder. If the date for the payment of

210   have the same force and effect as if made on the original date payment was due.

211           In the event of a non-payment of interest on one or more maturities on a scheduled  
212   payment date, and for thirty (30) days thereafter, a new record date for the interest

Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) Business Days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder of such maturity or maturities appearing on the Security Register at the close of business on the last Business Day next preceding the date of mailing of the notice.

**SECTION 6: REGISTRATION-TRANSFER-EXCHANGE OF BONDS - PREDECESSOR BONDS.** The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each registered owner of the Bonds issued under the provisions of the Twenty-Third Supplement. Upon surrender for transfer of any Bond (other than the Initial Bond(s) authorized in Section 9 of the Twenty-Third Supplement) at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds executed on behalf of, and furnished by, the City of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond(s) authorized in Section 9 of the Twenty-Third Supplement) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City, to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by United States Mail, first class postage prepaid, to the Holder and, upon the delivery thereof, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under the Twenty-Third Supplement, as the Bonds surrendered in such transfer or exchange.

252 All transfers or exchanges of Bonds under this Section shall be made without  
253 expense or service charge to the Holder, except as otherwise provided in the Twenty-  
254 Third Supplement, and except that the Paying Agent/Registrar shall require payment by  
255 the Holder requesting such transfer or exchange of any tax or other governmental charges  
256 required to be paid with respect to such transfer or exchange.

257 Bonds canceled by reason of an exchange or transfer under the provisions of the  
258 Twenty-Third Supplement are defined to be "Predecessor Bonds," evidencing all or a  
259 portion, as the case may be, of the same obligation to pay evidenced by the Bond or  
260 Bonds registered and delivered in the exchange or transfer. Additionally, the term  
261 "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for  
262 which a replacement Bond has been issued, registered and delivered under Section 19 of  
263 the Twenty-Third Supplement and such new replacement Bond shall be deemed to  
264 evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

265 Neither the City nor the Paying Agent/Registrar shall be required to transfer or  
266 exchange any Bond called for redemption, in whole or in part, within forty-five (45) days  
267 of the date fixed for redemption of the Bond; provided, however, this limitation of  
268 transfer shall not be applicable to an exchange by the Holder of the unredeemed balance  
269 of a Bond called for redemption in part.

#### 270 **SECTION 7: BOOK-ENTRY-ONLY TRANSFERS AND TRANSACTIONS.**

271 Notwithstanding the provisions contained in Sections 4, 5 and 6 of the Twenty-Third  
272 Supplement relating to the payment, and transfer/exchange of the Bonds, the City  
273 approves and authorizes the use of the "Book-Entry-Only" securities clearance,  
274 settlement and transfer system provided by The Depository Trust Company ("DTC"), a  
275 limited purpose trust company organized under the laws of the State of New York, in  
276 accordance with the operational arrangements referenced in the Blanket Issuer Letter of  
277 Representation, by and between the City and DTC (the "Depository Agreement").

278 Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be  
279 deposited with DTC, who shall hold the Bonds for its participants (the "DTC  
280 Participants"). While the Bonds are held by DTC under the Depository Agreement, the  
281 Holder of the Bonds on the Security Register for all purposes, including payment and  
282 notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each  
283 actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the  
284 records of DTC and DTC Participants.

285 In the event DTC determines to discontinue serving as securities depository for the  
286 Bonds or otherwise ceases to provide book-entry clearance and settlement of securities  
287 transactions in general or the City determines that DTC is incapable of properly  
288 discharging its duties as securities depository for the Bonds, the City covenants and  
289 agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and

provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. The Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of the Bonds not held by DTC under the Depository Agreement shall be made in accordance with the provisions of Sections 4, 5 and 6 of the Twenty-Third Supplement.

**SECTION 8: EXECUTION - REGISTRATION.** The Bonds shall be executed on behalf of the City by the Mayor or Mayor Pro Tem under its seal reproduced or impressed on the Bonds and countersigned by the City Clerk. The signature of the officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the Bond Date shall be deemed to be executed on behalf of the City, notwithstanding that those individuals or either of them shall cease to hold the offices at the time of delivery of the Bonds to the Underwriters and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Chapter 1201.

No Bond shall be entitled to any right or benefit under the Twenty-Third Supplement, or be valid or obligatory for any purpose, unless there appears on the Bond either a certificate of registration substantially in the form provided in the FORM OF BOND, manually executed by the Comptroller of Public Accounts of the State of Texas or his or her authorized agent, or a certificate of registration substantially in the form provided in the FORM OF BOND, manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either certificate upon any Bond signed shall be conclusive evidence, and the only evidence, that the Bond has been certified, registered and delivered.

**SECTION 9: INITIAL BOND(S).** The Bonds shall be initially issued either (i) as a single fully registered bond in the total principal amount specified in the Bond Purchase Agreement with principal installments to become due and payable as provided in the Bond Purchase Agreement and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each stated maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (the "Initial Bond(s)"). In either case, the Initial Bond(s) shall be registered in the name of the Underwriters or their designee. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the Underwriters. Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the Underwriters, or their designee, shall cancel the Initial Bond(s) delivered and exchange for the Initial Bond(s) definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses

identified for the Holders; all pursuant to and in accordance with such written instructions from the Underwriters, or their designee, and any other information and documentation as the Paying Agent/Registrar may reasonably require.

**SECTION 10: FORMS.** The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of Registration, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in the FORM OF BOND set forth in **Exhibit A** to the Twenty-Third Supplement, with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by the Twenty-Third Supplement, and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and any other legends and endorsements (including insurance legends in the event the Bonds, or any maturities of the Bonds, are purchased with insurance and any reproduction of an opinion of counsel) as may be established by the City or determined by the officers executing the Bonds as evidenced by their execution of the Bonds. Any portion of the text of any Bond may be set forth on the reverse of the Bond, with an appropriate reference on the face of the Bond.

The definitive Bonds and the Initial Bond(s) shall be printed, lithographed, or engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing the Bonds as evidenced by their execution of the Bonds.

**SECTION 11: CRITERIA FOR ISSUANCE OF PARITY WATER/WASTEWATER OBLIGATIONS.** The City has provided certain criteria and established certain covenants and agreements in relation to the issuance of Parity Water/Wastewater Obligations of the Water/Wastewater System pursuant to the Master Ordinance and Prior Supplements. The Twenty-Third Supplement provides for the authorization, issuance, sale, delivery, form, characteristics, provisions of payment, and security of the Bonds which are Parity Water/Wastewater Obligations. The Master Ordinance is incorporated by reference and made a part of the Twenty-Third Supplement for all purposes, except to the extent modified and supplemented by the Prior Supplements and the Twenty-Third Supplement, and the Bonds are declared to be Parity Water/Wastewater Obligations under the Master Ordinance and Prior Supplements. The City determines that it will have sufficient funds to meet the financial obligations of the Water/Wastewater System, including sufficient Net Revenues to pay the Annual Debt Service Requirements of the Bonds and the Previously Issued Parity Water/Wastewater Obligations and to meet all financial obligations of the City relating to the Water/Wastewater System.

**SECTION 12: PLEDGE.** Subject to the prior claim and lien on the Net Revenues of the Water/Wastewater System to the payment and security of the Prior First

Lien Obligations currently Outstanding, including the funding and maintenance of the special funds established and maintained for the payment and security of the Prior First Lien Obligations, the Net Revenues of the Water/Wastewater System are pledged to the payment of the Bonds, and the Bonds, together with the Prior Subordinate Lien Obligations and the Previously Issued Parity Water/Wastewater Obligations currently Outstanding, shall be equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Water/Wastewater System in accordance with the terms of the Master Ordinance and the Twenty-Third Supplement. Additionally, the Bonds and the Previously Issued Parity Water/Wastewater Obligations shall be equally and ratably secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund in accordance with the terms of the Master Ordinance, the Prior Supplements and the Twenty-Third Supplement. It is ordained that the Parity Water/Wastewater Obligations, and the interest on the Parity Water/Wastewater Obligations, shall constitute a lien on the Net Revenues of the Water/Wastewater System and be valid and binding and fully perfected from and after the date of adoption of the Twenty-Third Supplement without physical delivery or transfer or transfer of control of the Net Revenues, the filing of the Twenty-Third Supplement or any other act, all as provided in Chapter 1208. The owners of the Parity Water/Wastewater Obligations shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than specified in the Master Ordinance, the Prior Supplements and the Twenty-Third Supplement.

Chapter 1208 applies to the issuance of the Bonds and the pledge of the Net Revenues of the Water/Wastewater System granted by the City under this Section 12, and the pledge is valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Net Revenues of the Water/Wastewater System granted by the City under this Section 12 is to be subject to the filing requirements of Chapter 9, then to preserve to the registered owners of the Bonds the perfection of the security interest in the pledge, the City agrees to take measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, and enable a filing to perfect the security interest in the pledge to occur.

**SECTION 13: DEBT SERVICE FUND.** By reason of the issuance of the Bonds, the City need not establish any special accounts within the Debt Service Fund and following the delivery of the Bonds, the City agrees and covenants that in addition to the deposits for the payment of the Previously Issued Parity Water/Wastewater Obligations there shall be deposited to the credit of the Debt Service Fund an amount equal to one hundred percent (100%) of the amount required to fully pay the interest on and principal of the Bonds falling due on or before each maturity, mandatory redemption date and interest payment date, and such deposits shall be made in substantially equal monthly

amounts on or before the 14th day of each month beginning on or before the 14th day of the month next following the month the Bonds are delivered to the Underwriters.

The required monthly deposits to the Debt Service Fund for the payment of principal of and interest on the Bonds shall continue to be made in the manner provided in this Section until such time as (i) the total amount on deposit in the Debt Service Fund is equal to the amount required to fully pay and discharge all Parity Water/Wastewater Obligations then Outstanding or (ii) the Bonds are no longer outstanding, *i.e.*, fully paid as to principal and interest or all the Bonds have been refunded.

Any accrued interest received from the Underwriters shall be deposited in the Debt Service Fund, and shall be taken into consideration and reduce the amount of the monthly deposits that would otherwise be required to be deposited to the credit of the Debt Service Fund from the Net Revenues of the Water/Wastewater System.

**SECTION 14: RESERVE FUND.** In accordance with the provisions of the Prior Supplements authorizing the issuance of the Previously Issued Water/Wastewater Obligations, the Required Reserve Amount is funded with cash and Credit Facilities originally issued by MBIA Insurance Corporation, Financial Security Assurance Inc., Ambac Assurance Corporation and XL Capital Assurance Inc.

Acting in accordance with the provisions of the Master Ordinance, specifically Section 8 of the Master Ordinance, the City is exercising the authority to determine in a Supplement that it is not necessary for the Bonds to be secured by the Reserve Fund established for the benefit of the owners of the Parity Water/Wastewater Obligations. The City shall not make deposits of any Reserve Fund Obligations to the credit of the Reserve Fund for the benefit of the Bonds, and the City shall not be required, but reserves the right in the future, to make deposits of Reserve Fund Obligations to the credit of the Reserve Fund with respect to the Bonds.

Furthermore, in accordance with Section 10(d) of the Master Ordinance, council finds that the Gross Revenues will be sufficient to meet the obligations of the Water/Wastewater System, including sufficient Net Revenues to satisfy the Annual Debt Service Requirements of Parity Water/Wastewater Obligations currently Outstanding and the financial obligations of the City under any Credit Facility entered into with the Credit Facility providers.

**SECTION 15: PAYMENT OF BONDS.** On or before the first scheduled interest payment date, and on or before each subsequent interest payment date and principal payment date while any of the Bonds are Outstanding, the City shall cause an amount to be transferred to the Paying Agent/Registrar in immediately available funds from the Debt Service Fund sufficient to pay the interest on and the principal amount of the Bonds, as shall become due on each payment date, respectively, at maturity or by

redemption prior to maturity. The Paying Agent/Registrar shall destroy all paid Bonds and furnish the City with an appropriate certificate of cancellation or destruction.

## **SECTION 16: COVENANTS TO MAINTAIN TAX-EXEMPT STATUS.**

The City covenants to refrain from any action which would adversely affect, or to take any action to assure, the treatment of the Bonds as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the City covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use", as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate", within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any), is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(a) of the Code;

(e) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

480 (1) proceeds of the Bonds invested for a reasonable temporary period,  
481 until such proceeds are needed for the purpose for which the Bonds are issued,

482 (2) amounts invested in a bona fide debt service fund, within the meaning  
483 of section 1.148-1(b) of the Treasury Regulations, and

484 (3) amounts deposited in any reasonably required reserve or replacement  
485 fund to the extent such amounts do not exceed 10 percent of the proceeds of the  
486 Bonds;

487 (g) to otherwise restrict the use of the proceeds of the Bonds or amounts treated  
488 as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise  
489 contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the  
490 extent applicable, section 149(d) of the Code (relating to advance refundings); and

491 (h) to pay to the United States of America at least once during each five-year  
492 period (beginning on the date of delivery of the Bonds) an amount that is at least equal to  
493 90 percent of the "excess earnings", within the meaning of section 148(f) of the Code,  
494 and to pay to the United States of America, not later than 60 days after the Bonds have  
495 been paid in full, 100 percent of the amount then required to be paid as a result of Excess  
496 Earnings under section 148(f) of the Code.

497 The City understands that the term "proceeds" includes "disposition proceeds" as  
498 defined in the Treasury Regulations and, in the case of a refunding bond, transferred  
499 proceeds (if any) and proceeds of the refunded bonds expended prior to the date of the  
500 issuance of the Bonds. It is the understanding of the City that the covenants contained  
501 herein are intended to assure compliance with the Code and any regulations or rulings  
502 promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that  
503 regulations or rulings are hereafter promulgated which modify or expand provisions of  
504 the Code, as applicable to the Bonds, the City will not be required to comply with any  
505 covenant contained herein to the extent that such failure to comply, in the opinion of  
506 nationally-recognized bond counsel, will not adversely affect the exemption from federal  
507 income taxation of interest on the Bonds under section 103 of the Code. In the event that  
508 regulations or rulings are hereafter promulgated which impose additional requirements  
509 which are applicable to the Bonds, the City agrees to comply with the additional  
510 requirements to the extent necessary, in the opinion of nationally-recognized bond  
511 counsel, to preserve the exemption from federal income taxation of interest on the Bonds  
512 under section 103 of the Code. In furtherance of the foregoing, the Mayor, the City  
513 Manager, any Assistant City Manager, the Chief Financial Officer of the City, any  
514 Deputy Financial Officer of the City and the City Treasurer may execute any certificates  
515 or other reports required by the Code and make such elections, on behalf of the City,  
516 which may be permitted by the Code as are consistent with the purpose for the issuance  
517 of the Bonds. In order to facilitate compliance with the above clause (h), a "Rebate

Fund" is established by the City for the sole benefit of the United States of America, and the Rebate Fund shall not be subject to the claim of any other person, including without limitation the registered owners of the Bonds. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

#### **SECTION 16A: DISPOSITION OF BOND-FINANCED PROPERTY.**

The City covenants that the property constituting an improvement to the City originally financed with the proceeds of the Refunded Obligations will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel substantially to the effect that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds or the Refunded Obligations. The portion of the property comprising personal property and disposed of in the ordinary course of business shall not be treated as a transaction resulting in the receipt of cash or other compensation. The City shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

#### **SECTION 17: AMENDMENT OF TWENTY-THIRD SUPPLEMENT.**

(a) Required Owner Consent for Amendments. The owners of a majority in Outstanding Principal Amount of the Bonds shall have the right from time to time to approve any amendment to the Twenty-Third Supplement which may be deemed necessary or desirable by the City; provided, however, nothing contained in the Twenty-Third Supplement shall permit or be construed to permit the amendment of the terms and conditions in the Twenty-Third Supplement so as to:

- (1) Make any change in the maturity of any of the Outstanding Bonds;
- (2) Reduce the rate of interest borne by any of the Outstanding Bonds;
- (3) Reduce the amount of the principal payable on the Bonds;
- (4) Modify the terms of payment of principal of, premium, if any, or interest on the Outstanding Bonds or impose any conditions with respect to such payment;
- (5) Affect the rights of the owners of less than all of the Bonds then Outstanding;
- (6) Amend this subsection(a) of this Section; or
- (7) Change the minimum percentage of the principal amount of Bonds necessary for consent to any amendment;

unless such amendment or amendments be approved by the owners of all of the Bonds affected by the change or amendment then Outstanding.

556 (b) Notice of Amendment Requiring Consent. If at any time the City shall  
557 desire to amend the Twenty-Third Supplement under this Section, the City shall cause  
558 notice of the proposed amendment to be published in a financial newspaper or journal  
559 published in The City of New York, New York, and a newspaper of general circulation in  
560 the City, once during each calendar week for at least two successive calendar weeks. The  
561 notice shall briefly set forth the nature of the proposed amendment and shall state that a  
562 copy of the notice is on file with the Paying Agent/Registrar for the Bonds. Publication is  
563 not required, however, if notice in writing is given by United States Mail, first class  
564 postage prepaid, to each owner of the Bonds.

565 (c) Time Period for Obtaining Consent. If within one year from (i) the date of  
566 the first publication of notice or (ii) the date of the mailing by the Paying Agent/Registrar  
567 of written notice to the owners of the Bonds, whichever date first occurs if both methods  
568 of giving notice are used, the City shall receive an instrument or instruments executed by  
569 the owners of at least a majority in Outstanding Principal Amount of the Bonds  
570 consenting to and approving such amendment in substantially the form of the copy of  
571 such instrument on file with each Paying Agent/Registrar, the governing body of the City  
572 may pass the amendatory ordinance in substantially the same form.

573 (d) Revocation of Consent. Any consent given by the owner of a Bond pursuant  
574 to the provisions of this Section shall be irrevocable for a period of six months from the  
575 date for measuring the one year period to obtain consents noted in paragraph (c) above,  
576 and shall be conclusive and binding upon all future owners of the same Bonds during  
577 such period. At any time after six months from the date for measuring the one year period  
578 to obtain consents noted in paragraph (c) above, consent may be revoked by the owner  
579 who gave the consent, or by a successor in title, by filing written notice with the Paying  
580 Agent/Registrar for the Bonds and the City, but revocation shall not be effective if the  
581 owners of at least a majority in Outstanding Principal Amount of the then Outstanding  
582 Bonds as determined in accordance with this Section have, prior to the attempted  
583 revocation, consented to and approved the amendment.

584 (e) Implementation of Amendment. Upon the passage of any amendatory  
585 ordinance pursuant to the provisions of this Section, the Twenty-Third Supplement shall  
586 be deemed to be amended, and the respective rights, duties and obligations of the City  
587 under the Twenty-Third Supplement and all the owners of then Outstanding Bonds shall  
588 be determined, exercised and enforced in all respects in accordance with the amendment.

589 (f) Amendment without Consent. The preceding provisions of this Section  
590 notwithstanding, the City by action of its governing body may amend the Twenty-Third  
591 Supplement for any one or more of the following purposes:

592 (1) To add to the covenants and agreements of the City contained in  
593 the Twenty-Third Supplement, other covenants and agreements thereafter to

594 be observed, grant additional rights or remedies to the owners of the Bonds  
595 or to surrender, restrict or limit any right or power reserved in the Twenty-  
596 Third Supplement to or conferred upon the City;

597 (2) To make provision for the purpose of curing any ambiguity, or  
598 curing, correcting or supplementing any defective provision contained in the  
599 Twenty-Third Supplement, or in regard to clarifying matters or questions  
600 arising under the Twenty-Third Supplement, as are necessary or desirable  
601 and not contrary to or inconsistent with the Twenty-Third Supplement and  
602 which shall not adversely affect the interests of the owners of the Bonds then  
603 Outstanding;

604 (3) To modify any of the provisions of the Twenty-Third Supplement  
605 in any other respect whatever, provided that such modification shall be, and  
606 be expressed to be, effective only after all the Bonds outstanding at the date  
607 of the adoption of such modification shall cease to be outstanding;

608 (4) To make amendments to the Twenty-Third Supplement as may be  
609 required, in the opinion of Bond Counsel, to ensure compliance with  
610 sections 103 and 141 through 150 of the Code and the regulations  
611 promulgated under and applicable to such sections and regulations;

612 (5) To make changes, modifications or amendments as may be  
613 necessary or desirable to allow the owners of the Bonds to avail themselves  
614 of a book-entry system for payments, transfers and other matters relating to  
615 the Bonds, which changes, modifications or amendments are not contrary to  
616 or inconsistent with other provisions of the Twenty-Third Supplement and  
617 which shall not adversely affect the interests of the owners of the Bonds;

618 (6) To make amendments to the Twenty-Third Supplement as  
619 permitted by Section 21(e) of the Twenty-Third Supplement;

620 (7) To make changes, modifications or amendments as may be  
621 necessary or desirable to obtain or maintain the granting of a rating on the  
622 Bonds by a Rating Agency or to obtain or maintain a Credit Agreement or a  
623 Credit Facility; and

624 (8) To make changes, modifications or amendments as may be  
625 necessary or desirable, which shall not adversely affect the interests of the  
626 owners of the Bonds, in order, to the extent permitted by law, to facilitate the  
627 economic and practical utilization of interest rate swap agreements, foreign  
628 currency exchange agreements, or similar types of agreements with respect  
629 to the Bonds. Notice of an amendment may be published by the City in the

manner described in clause (b) of this Section; provided, however, that the publication of a notice shall not constitute a condition precedent to the adoption of an amendatory ordinance and the failure to publish a notice shall not adversely affect the implementation of an amendment as adopted pursuant to the amendatory ordinance.

(g) Ownership. For the purpose of this Section, the ownership and other matters relating to all Bonds shall be established by the Security Register maintained by the Paying Agent/Registrar. Furthermore, the owner of any Bonds insured as to the payment of principal of and interest shall be deemed to be the insurance company providing the insurance coverage on the Bonds; provided the amendment to the Twenty-Third Supplement is an amendment that can be made with the consent of a majority in Outstanding Principal Amount of the Bonds and the insurance company is not in default with respect to its obligations under its insurance policy, if any.

**SECTION 18: FINAL DEPOSITS; GOVERNMENT OBLIGATIONS.** All or any of the Bonds shall be deemed to be paid, retired and no longer outstanding within the meaning of the Twenty-Third Supplement when payment of the principal of, and redemption premium, if any, on the Bonds, plus interest on the Bonds to the due date (whether the due date is by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms of the Bonds, or (ii) shall have been provided by irrevocably depositing with, or making available to, the Paying Agent/Registrar, in trust and irrevocably set aside exclusively for this payment, (1) money sufficient to make the payment or (2) Government Obligations, certified by an independent public accounting firm of national reputation, to mature as to principal and interest in amounts and at the times as will insure the availability, without reinvestment, of sufficient money to make this payment, and all necessary and proper fees, compensation and expenses of the Paying Agent/Registrar with respect to which the deposit is made shall have been paid or the payment thereof provided for the satisfaction of the Paying Agent/Registrar. Once a Bond shall be deemed to be paid under the Twenty-Third Supplement, it shall no longer be secured by or entitled to the benefit of the Twenty-Third Supplement, the Master Ordinance or a lien on and pledge of the Net Revenues of the Water/Wastewater System, and shall be entitled to payment solely from the money or Government Obligations.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, may at the direction of the City also be invested in Government Obligations, maturing in the amounts and at the times as set forth in this Section, and all income from all Government Obligations not required for the payment of the Bonds, the redemption premium, if any, and interest on the Bonds, with respect to which the money has been so deposited, shall be turned over to the City or deposited as directed by the City. The City covenants that no deposit will be made or accepted under clause (ii) of

669 this Section and no use made of any deposit which would cause the Bonds to be treated  
670 as arbitrage bonds within the meaning of section 148 of the Code.

671 Notwithstanding any other provisions of the Twenty-Third Supplement, all money  
672 or Government Obligations set aside and held in trust pursuant to the provisions of this  
673 Section for the payment of the Bonds, the redemption premium, if any, and interest on the  
674 Bonds, shall be applied to and used for the payment of the Bonds, the redemption  
675 premium, if any, and interest on the Bonds and the income on the money or Government  
676 Obligations shall not be considered to be "Gross Revenues" under the Twenty-Third  
677 Supplement.

678 **SECTION 19: DAMAGED, MUTILATED, LOST, STOLEN, OR**  
679 **DESTROYED BONDS.** In the event any Outstanding Bond is damaged, mutilated, lost,  
680 stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and  
681 delivered, a new bond of the same principal amount, maturity, and interest rate, as the  
682 damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for the Bond in the  
683 manner provided in this Section. An application for the replacement of damaged,  
684 mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar.  
685 In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond  
686 shall furnish to the City and to the Paying Agent/Registrar security or indemnity as may  
687 be required by them to save each of them harmless from any loss or damage with respect  
688 thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall  
689 furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the  
690 loss, theft, or destruction of the Bond, as the case may be. In every case of damage or  
691 mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for  
692 cancellation the Bond so damaged or mutilated. Prior to the issuance of any replacement  
693 bond, the Paying Agent/Registrar shall charge the owner of the Bond with all legal,  
694 printing, and other expenses in connection therewith. Every replacement bond issued  
695 pursuant to the provisions of this Section by virtue of the fact that any Bond is lost,  
696 stolen, or destroyed shall constitute a contractual obligation of the City whether the lost,  
697 stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and  
698 shall be entitled to all the benefits of the Twenty-Third Supplement equally and  
699 proportionately with any and all other Bonds issued under the Twenty-Third Supplement.

700 Notwithstanding the preceding provisions of this Section, in the event any Bond  
701 shall have matured, and no default has occurred which is then continuing in the payment  
702 of the principal of, redemption premium, if any, or interest on the Bond, the City may  
703 authorize the payment of the same (without surrender of the Bond except in the case of a  
704 damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or  
705 indemnity is furnished as above provided in this Section. Furthermore, in accordance  
706 with Chapter 1206 (specifically Section 1206.022), this Section shall constitute authority  
707 for the issuance of any replacement bond without necessity of further action by the

governing body of the City or any other body or person, and the duty of the replacement of Bonds is authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver replacement bonds in the form and manner and with the effect, as provided in Section 6 of the Twenty-Third Supplement for Bonds issued in exchange for other Bonds.

**SECTION 20: TWENTY-THIRD SUPPLEMENT TO CONSTITUTE A CONTRACT; EQUAL SECURITY.** In consideration of the acceptance of the Bonds by the Holders from time to time, the Twenty-Third Supplement shall be deemed to be and shall constitute a contract between the City and the Holders from time to time of the Bonds and the pledge made in the Twenty-Third Supplement by the City and the covenants and agreements set forth in the Twenty-Third Supplement to be performed by the City shall be for the equal and proportionate benefit, security, and protection of all Holders, without preference, priority, or distinction as to security or otherwise of any of the Bonds authorized under the Twenty-Third Supplement over any of the others by reason of time of issuance, sale, or maturity thereof or otherwise for any cause whatsoever, except as expressly provided in or permitted by the Twenty-Third Supplement.

**SECTION 21: CONTINUING DISCLOSURE UNDERTAKING.**

(a) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

“*MSRB*” means the Municipal Securities Rulemaking Board.

“*Rule*” means SEC Rule 15c2-12, as amended from time to time.

“*SEC*” means the United States Securities and Exchange Commission.

(b) Annual Reports. The City shall provide annually to the MSRB (1) within six months after the end of each fiscal year ending in or after 2014, financial information and operating data with respect to the City of the general type included in the final Official Statement and which is described in **Exhibit B** to the Twenty-Third Supplement, and (2) if not provided as part of the financial information and operating data, audited financial statements of the City, when and if available. Any financial statements so to be provided shall be prepared in accordance with the accounting principles described in **Exhibit B** to the Twenty-Third Supplement, or other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and audited, if the City commissions an audit of the statements and the audit is completed within the period during which they must be provided. If audited financial statements are not available by the required time, the City will provide unaudited financial information

of the type included in the Official Statement by the required time and audited financial statements when and if the audited financial statements become available.

If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the MSRB's Internet Web site or filed with the SEC.

(c) Notice of Certain Events. The City shall provide notice of any of the following events with respect to the Bonds to the MSRB in a timely manner and not more than 10 Business Days after occurrence of the event:

- (1) Principal and interest payment delinquencies;
- (2) Non-payment related defaults, if material;
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) Substitution of credit or liquidity providers, or their failure to perform;
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (7) Modifications to rights of holders of the Bonds, if material;
- (8) Bond calls, if material, and tender offers;
- (9) Defeasances;
- (10) Release, substitution, or sale of property securing repayment of the Bonds, if material;

- (13) The consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (14) Appointment of a successor or additional paying agent/registrar or the change of name of a paying agent/registrar, if material.

For these purposes, any event described in the immediately preceding paragraph 12

782 is considered to occur when any of the following occur: the appointment of a receiver,  
783 fiscal agent, or similar officer for the City in a proceeding under the United States  
784 Bankruptcy Code or in any other proceeding under state or federal law in which a court  
785 or governmental authority has assumed jurisdiction over substantially all of the assets or  
786 business of the City, or if jurisdiction has been assumed by leaving the existing governing  
787 body and officials or officers in possession but subject to the supervision and orders of a  
788 court or governmental authority, or the entry of an order confirming a plan of  
789 reorganization, arrangement, or liquidation by a court or governmental authority having  
790 supervision or jurisdiction over substantially all of the assets or business of the City.

791 The City shall notify the MSRB, in a timely manner, of any failure by the City to  
792 provide financial information or operating data in accordance with this Section by the  
793 time required by this Section.

794 (d) Filings with the MSRB. All financial information, operating data, financial  
795 statements, notices, and other documents provided to the MSRB in accordance with this  
796 Section shall be provided in an electronic format prescribed by the MSRB and shall be  
797 accompanied by identifying information as prescribed by the MSRB.

798 (e) Limitations, Disclaimers, and Amendments. The City shall be obligated to  
799 observe and perform the covenants specified in this Section with respect to the City and  
800 the Bonds while, but only while, the City remains an “obligated person” with respect to  
801 the Bonds within the meaning of the Rule, except that the City in any event will give the  
802 notice required by subsection (c) of this Section of any Bond calls and defeasance that  
803 cause the City to be no longer such an “obligated person.”

804 The provisions of this Section are for the sole benefit of the Holders and beneficial  
805 owners of the Bonds, and nothing in this Section, express or implied, shall give any  
806 benefit or any legal or equitable right, remedy, or claim to any other person. The City  
807 undertakes to provide only the financial information, operating data, financial statements,  
808 and notices which it has expressly agreed to provide pursuant to this Section and does not  
809 undertake to provide any other information that may be relevant or material to a complete  
810 presentation of the financial results, condition, or prospects of the City or the State of  
811 Texas or undertake to update any information provided in accordance with this Section or  
812 otherwise, except as expressly provided in this Section. The City does not make any  
813 representation or warranty concerning the information or its usefulness to a decision to  
814 invest in or sell Bonds at any future date.

815 UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE  
816 HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN  
817 CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART  
818 FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT  
819 FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT

EVERY RIGHT AND REMEDY OF ANY PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under the Twenty-Third Supplement for purposes of any other provision of the Twenty-Third Supplement.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Should the Rule be amended to obligate the City to make filings with or provide notices to entities other than the MSRB, the City agrees to undertake the obligation in accordance with the Rule as amended.

Notwithstanding any provisions in the Twenty-Third Supplement to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of the amendment, as well as the changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of the Twenty-Third Supplement that authorizes the amendment) of the Outstanding Bonds consent to the amendment or (b) a Person that is unaffiliated with the City and the State of Texas (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that the provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in the offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

**SECTION 22: REMEDY IN EVENT OF DEFAULT.** In addition to all rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Debt Service Fund as required by the Twenty-Third Supplement or the Master Ordinance, (b)

defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Twenty-Third Supplement or the Master Ordinance or (c) the City declares bankruptcy, the Holders of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in the Twenty-Third Supplement or the Master Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence in such default, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy provided in this Section shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

### **SECTION 23: SALE OF BONDS; OFFICIAL STATEMENT APPROVAL.**

907 “Escrow Agreement”) by and between the City and an authorized escrow agent (the  
908 “Escrow Agent”), if an agreement is required in connection with the issuance of the

924 of the escrowed securities referenced in the Escrow Agreement and the delivery thereof

926 the credit of the “CITY OF AUSTIN, TEXAS, WATER AND WASTEWATER  
927 SYSTEM REVENUE REFUNDING BONDS, SERIES 2014 ESCROW FUND”

929 Twenty-Third Supplement, the Bond Purchase Agreement, and the Escrow Agreement.

930 On or immediately prior to the date of the delivery of the Bonds to the  
931 Underwriters, the Pricing Officer shall also cause to be deposited (and is authorized to

cause to be deposited) with the Escrow Agent from moneys on deposit in the debt service fund(s) maintained for the payment of the Refunded Bonds an amount which, together with the proceeds of sale, and the investment earnings thereon, will be sufficient to pay in full the Refunded Bonds (or the amount of accrued interest due thereon) scheduled to mature and authorized to be redeemed on the earliest date established in the Bond Purchase Agreement for the redemption of any of the Refunded Bonds (or the earliest date of payment, to be made from moneys in the Escrow Fund(s), as established in the Bond Purchase Agreement, of the amount of accrued interest due thereon).

**SECTION 27: PROCEEDS OF SALE.** Immediately following the delivery of the Bonds, the proceeds of sale (less those proceeds of sale designated to pay costs of issuance and any accrued interest received from the Underwriters) shall be deposited with (i) US Bank National Association (the "Deposit Agent") for the payment and discharge of the Refunded Notes, or (ii) the Escrow Agent for application and disbursement in accordance with the provisions of the Escrow Agreement or deposited with the paying agent/registrar for the Refunded Bonds for the payment and redemption of the Refunded Bonds. The proceeds of sale of the Bonds not so deposited with the Escrow Agent (or the paying agent/registrar for the Refunded Bonds) for the refunding of the Refunded Bonds or with the Deposit Agent for the refunding of the Refunded Notes shall be disbursed for payment of costs of issuance, or deposited in the Debt Service Fund for the Bonds, all in accordance with written instructions from the City or its financial advisor. Accrued interest, if any, received from the Underwriters shall be deposited to the credit of the Debt Service Fund, and premium, if any, received from the Underwriters as part of the purchase price of the Bonds shall be used in a manner consistent with Chapter 1201 (specifically Section 1201.041(d)).

Furthermore, appropriate officials of the City in cooperation with the Deposit Agent and the Escrow Agent, as applicable, are authorized and directed to make the necessary arrangements for the deposit of funds for the payment of the Refunded Obligations, all as contemplated and provided in Chapter 1207 and the Twenty-Third Supplement.

1007       **SECTION 29: CUSIP NUMBERS.** CUSIP numbers may be printed or typed on  
1008 the definitive Bonds. It is expressly provided, however, that the presence or absence of  
1009 CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards  
1010 the legality thereof and neither the City nor attorneys approving the Bonds as to legality  
1011 are to be held responsible for CUSIP numbers incorrectly printed or typed on the  
1012 definitive Bonds.

1013       **SECTION 30: PAYMENT AND PERFORMANCE ON BUSINESS DAYS.**  
1014 Whenever under the terms of the Twenty-Third Supplement or the Bonds, the  
1015 performance date of any provision of the Twenty-Third Supplement or the Bonds,  
1016 including the payment of principal of or interest on the Bonds, shall occur on a day other  
1017 than a Business Day, then the performance thereof, including the payment of principal of  
1018 and interest on the Bonds, need not be made on that day but may be performed or paid, as  
1019 the case may be, on the next succeeding Business Day with the same force and effect as if  
1020 made on the date of performance or payment.

1021       **SECTION 31: LIMITATION OF BENEFITS WITH RESPECT TO THE**  
1022 **TWENTY-THIRD SUPPLEMENT.** With the exception of the rights or benefits  
1023 expressly conferred in the Twenty-Third Supplement, nothing expressed or contained in  
1024 the Twenty-Third Supplement or implied from the provisions of the Twenty-Third  
1025 Supplement or the Bonds is intended or should be construed to confer upon or give to any  
1026 person other than the City, the Holders, and the Paying Agent/Registrar, any legal or  
1027 equitable right, remedy, or claim under or by reason of or in respect to the Twenty-Third  
1028 Supplement or any covenant, condition, stipulation, promise, agreement, or provision  
1029 contained in the Twenty-Third Supplement. The Twenty-Third Supplement and all of the  
1030 covenants, conditions, stipulations, promises, agreements, and provisions of the Twenty-  
1031 Third Supplement are intended to be and shall be for and inure to the sole and exclusive  
1032 benefit of the City, the Holders, and the Paying Agent/Registrar as provided in the  
1033 Twenty-Third Supplement and in the Bonds.

1034       **SECTION 32: NOTICES TO HOLDERS-WAIVER.** Wherever the Twenty-  
1035 Third Supplement provides for notice to Holders of any event, the notice shall be  
1036 sufficiently given (unless otherwise expressly provided in the Twenty-Third Supplement)  
1037 if in writing and sent by United States Mail, first class postage prepaid, to the address of  
1038 each Holder appearing in the Security Register at the close of business on the Business  
1039 Day next preceding the mailing of the notice.

1040       In any case where notice to Holders is given by mail, neither the failure to mail the  
1041 notice to any particular Holders nor any defect in any notice so mailed shall affect the  
1042 sufficiency of the notice with respect to all other Bonds. Where the Twenty-Third  
1043 Supplement provides for notice in any manner, the notice may be waived in writing by  
1044 the Holder entitled to receive the notice, either before or after the event with respect to  
1045 which notice is given, and the waiver shall be the equivalent of the notice. Waivers of

notice by Holders shall be filed with the Paying Agent/Registrar, but a filing shall not be a condition precedent to the validity of any action taken in reliance upon the waiver.

**SECTION 33: GOVERNING LAW.** The Twenty-Third Supplement shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

**SECTION 34: EFFECT OF HEADINGS.** The Section headings in the Twenty-Third Supplement are for convenience of reference only and shall not affect the construction of the Twenty-Third Supplement.

**SECTION 35: CONSTRUCTION OF TERMS.** If appropriate in the context of the Twenty-Third Supplement, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders. References to any named person shall mean that person and his or her successors and assigns. Any reference to the payment of principal in the Twenty-Third Supplement shall include the payment of any mandatory sinking fund redemption payments as described in the Twenty-Third Supplement. Any reference to "FORM OF BOND" refers to the form of the Bonds in **Exhibit A** to the Twenty-Third Supplement.

**SECTION 36: SEVERABILITY.** If any provision of the Twenty-Third Supplement or its application to any circumstance shall be held to be invalid, the remainder of the Twenty-Third Supplement and its application to other circumstances shall nevertheless be valid, and council declares that the Twenty-Third Supplement would have been enacted without such invalid provision.

**SECTION 37: INSURANCE.** The Bonds may but are not required to be sold with the principal of and interest being insured by a qualified municipal bond insurance provider. The Pricing Officer is authorized to make the selection of municipal bond insurance (if any) for the Bonds and to determine the provisions of any commitment for the municipal bond insurance. The Pricing Officer is authorized to execute any agreement with a qualified municipal bond insurance provider in connection with obtaining municipal bond insurance. In addition, if municipal bond insurance is obtained, the City will comply with the conditions applicable to the Bonds as set forth in the commitment or agreement entered into with the provider, as if the conditions were incorporated in the Twenty-Third Supplement.

**SECTION 38: PRIOR ACTIONS.** On June 20, 2013, council adopted Ordinance No. 20130620-075, defined as the "Twenty-Third Supplement". Since bonds

The City of Austin (the “City”), a body corporate and municipal corporation in the Counties of Travis, Williamson and Hays, State of Texas, for value received promises to pay to the registered owner named above, or their registered assigns (the “Registered Owner”), solely from the revenues identified in this Bond, on the Stated Maturity date specified above the Principal Amount stated above (or so much of the Principal Amount as shall not have been paid upon prior redemption), and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on the unpaid Principal Amount of this Bond from the interest payment date next preceding the “Registration Date” of this Bond appearing below (unless this Bond bears a “Registration Date” as of an interest payment date, in which case it shall bear interest from such date, or unless the “Registration Date” of this Bond is prior to the initial interest payment date in which case it shall bear interest from the \_\_\_\_\_) at the per annum rate of interest specified above; such interest being payable on \_\_\_\_\_, 20\_\_ and on each succeeding November 15 and May 15 until maturity or prior redemption. this Bond may be accomplished without presentation and surrender of this Bond. Interest is payable to the Registered Owner of this Bond (or one or more Predecessor Bonds, as defined in the Twenty-Third Supplement) whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the last business day of the month next preceding each interest payment date and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/ Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of, premium, if any, and interest on this Bond shall be without exchange or collection charges to the owner of this Bond and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$\_\_\_\_\_ (the "Bonds") for the purpose of refinancing and refunding the Refunded Obligations (identified and defined in the Twenty-Third Supplement), in conformity with the Constitution and laws of the State of Texas, including V.T.C.A., Government Code, Chapter 1207, and pursuant to a Master Ordinance and Twenty-Third Supplement adopted by the City Council of the City (collectively referred to as the "Ordinances").

[The Bonds maturing on the dates identified below (the "Term Bonds") are subject to mandatory redemption prior to maturity with funds on deposit in the Debt Service Fund established and maintained for the payment of the Bonds in the Master Ordinance, and shall be redeemed in part prior to maturity at the price of par and accrued interest thereon to the date of redemption, and without premium, on the dates and in the principal amounts as follows:

<u>Term Bonds due Redemption Date</u>	<u>Principal Amount</u>	<u>Term Bonds due Redemption Date</u>	<u>Principal Amount</u>
	\$ ,000		\$ ,000
	\$ ,000		\$ ,000
	\$ ,000		\$ ,000
	\$ ,000		\$ ,000
			\$ ,000

The particular Term Bonds of a stated maturity to be redeemed on each redemption date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the principal amount of Term Bonds for a stated maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Bonds of like stated maturity which, at least fifty days prior to the mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not previously credited against a mandatory redemption requirement.]<sup>1</sup>

The Bonds maturing on and after \_\_\_\_\_, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on \_\_\_\_\_ or on any date thereafter at the redemption price of par plus accrued interest thereon to the redemption date.

Not less than thirty days prior to a redemption date, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Bond to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinances. If a Bond (or any portion of its principal sum) shall have been called for redemption and notice of such redemption given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys for the payment of the redemption price and the interest on the principal amount to

---

<sup>1</sup> To conform to the provisions of the Bond Purchase Agreement

be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Ordinances for the then unredeemed balance of the principal sum of such Bond or Bonds will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within forty-five days of the redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless the Paying Agent/Registrar has received funds sufficient to pay the principal and premium, if any, and interest on the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Paying Agent/Registrar on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Bonds are special obligations of the City payable solely from and, together with the Prior Subordinate Lien Obligations and the Previously Issued Parity Water/Wastewater Obligations currently Outstanding, equally and ratably secured by a parity lien on and pledge of, the Net Revenues of the Water/Wastewater System in the manner provided in the Ordinances. Additionally, the Bonds and Previously Issued Parity Water/Wastewater Obligations referenced above shall be equally and ratably secured by a parity lien on the funds, if any, deposited to the credit of the Debt Service Fund in accordance with the terms of the Ordinances. **THE BONDS ARE NOT SECURED BY A LIEN ON THE RESERVE FUND ESTABLISHED FOR THE BENEFIT OF CERTAIN OF THE PREVIOUSLY ISSUED PARITY WATER/WASTEWATER OBLIGATIONS, AND THE TWENTY-THIRD SUPPLEMENT DOES NOT**

REQUIRE THE CITY TO FUND THE RESERVE FUND FOR THE BENEFIT OF THE HOLDERS OF THE BONDS. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the Water/Wastewater System, except with respect to the Net Revenues. The Holder of this Bond shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the related terms and conditions, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Water/Wastewater System, in the same manner and to the same extent as the Bonds.

Reference is made to the Ordinances, copies of which are on file with the Paying Agent/Registrar, and to all of the provisions of which the Holder by the acceptance of this Bond assents, for definitions of terms; the description of and the nature and extent of the security for the Bonds; the properties constituting the Water/Wastewater System; the Net Revenues pledged to the payment of the principal of and interest on the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; the terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinances may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and covenants made in the Ordinances may be discharged at or prior to the maturity of this Bond, and this Bond deemed to be no longer Outstanding under the Ordinances; and for the other terms and provisions contained in the Ordinances. Capitalized terms used in this Bond have the same meanings assigned in the Ordinances.

This Bond, subject to certain limitations contained in the Ordinances, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar executed by the Registered Owner, or the authorized agent of the Registered Owner. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, may treat the Registered Owner of this Bond whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest on this Bond, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal of this Bond at its Stated Maturity, or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of non-payment of interest on a scheduled payment date and for thirty days after such event, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.
