BOARD AND COMMISSION ACTION: To be approved by the Zero Waste Advisory Commission on 6/11/2014.

PURCHASING: Lowest bids meeting specifications

MBE/WBE: This contract will be awarded in compliance with City Code Chapter 2-9D (Minority-Owned and Women-Owned Business Enterprise Procurement Program). No subcontracting opportunities were identified; therefore, no goals were established for this contract.

This contract is for the purchase of indoor recycling and kitchen organic collection containers. The City of Austin's Universal Recycling Ordinance (URO) supports the City's Zero Waste goal by establishing minimum requirements for recycling and organics diversion at Austin businesses and commercial properties. By Oct. 1, 2017, all commercial properties and all apartments with five (5) or more dwelling units will be required to ensure tenants and employee have convenient access to recycling. The containers will be used as part of ARR's Business Outreach program to assist businesses in starting or expanding on-site recycling and organic diversion programs. The contract will also be available to other City departments to encourage effective recycling at City offices and facilities. The kitchen organic collection containers will be provided to people who complete ARR's free composting classes.

The contract will purchase approximately 4,500 recycling, 2,000 mini-bins, and 1,800 kitchen organic collection bins annually stamped with the ARR logo. These bins contain a minimum of 35% post-consumer recycled content.
