

**ENVIRONMENTAL BOARD RECOMMENDATION 20140604 004a**

Date: June 04, 2014

Subject: Parkside Community School SP-2014-0074C

Motion By: Robert Deegan

Second by: Mary Ann Neely

**RATIONALE:**

Whereas, the project has minimal potential for environmental impact

And whereas, the project would provide substantial Water Quality improvements over existing conditions and,

Whereas, Parkside Community School seeks to provide additional less tangible environmental benefits by creating future stewards of the environment

Therefore, the Environmental Board recommends approval of the request for proposed redevelopment of a civic use.
