## Additional Backup Information

On November 7, 2013, Council approved an ordinance waiving permitting and development related fees and authorizing reimbursement of towing fees required to address damage resulting from the flooding events that occurred during the week of October 28, 2013. The referenced ordinance expired on May 31, 2014.

This item proposes extending the development related fee waiver an additional six months and declares an emergency based on continued need in the impacted area.
