Additional Backup Information

The Capital Metropolitan Transit Authority (CapMetro) has recommended the elimination of an existing private railroad crossing located between Scofield Ridge Parkway and West Parmer Lane due to safety concerns. As part of this recommendation, CapMetro is also proposing the extension of Del Robles Drive to the end of the City's right-of-way to provide the affected property owners with an alternate way to access their property. CapMetro will fund this project, and the Street and Bridge Division of the City's Public Works Department will complete the project.
