RESTRICTIVE COVENANT TERMINATION REVIEW SHEET

CASE: C14-80-016(RCT)

P.C. DATE: April 8, 2014

(2208 Lake Austin Restrictive Covenant Termination)

ADDRESS: 2208 Lake Austin Boulevard

OWNER/APPLICANT: 2208 Lake Austin, LLC (Vance Elliott)

AGENT: Alice Glasco Consulting (Alice Glasco)

NATURE OF REQUEST:

To terminate/delete a public restrictive covenant for the property located at 2208 Lake Austin Boulevard.

SUMMARY STAFF RECOMMENDATION:

The staff recommends the applicant's request to terminate the public restrictive covenant as it applies to this site.

PLANNING COMMISSION RECOMMENDATION:

4/08/14: Motion to approve restrictive covenant termination (8-0, A. Hernandez-off dais); J. Stevens-1st, M. Smith-2nd.

DEPARTMENT COMMENTS:

The site under consideration is currently developed with an office use. The applicant is in the process of requesting a rezoning of this property from LO-NP to LO-MU-NP because they would like to remodel the existing building and add to it so that they can use the property for a live/work use.

Therefore, the property owner is asking to terminate a public restrictive covenant that was passed with the previous zoning case, C14-80-016. This covenant states that, "The above described property will be restricted to professional office use only, and will operate during professional office hours only." (Please see Restrictive Covenant for Case C14-80-016 – Attachment A). The staff recommends the applicant's request for a restrictive covenant termination for this property. The conditions of the covenant would no longer be valid as the staff is currently recommending a neighborhood plan amendment to mixed use and re-zoning of this site to the LO-MU-CO zoning district (Please see staff report for zoning case C14-2014-0015).

The applicant agrees with the staff's recommendation.

Greg Guernsey, Director Planning and Development Review Department 505 Barton Spring Road, Suite 500 Austin, Texas 78704

RE: 2208 Lake Austin Blvd.

Dear Greg:

I represent the owners of the above referenced property in three cases – rezoning, plan amendment (FLUM change) and a restrictive covenant termination (C14-80-016). The subject property was encumbered with a restrictive covenant that is associated with zoning case number C14-8-016. As part of the rezoning process, a use restriction was approved by the City Council and it reads as follows:

The above described property will be restricted to professional use only, and will operate during professional office hours only.

Justification Rezoning/Plan Amendment and Restrictive Covenant Termination:

- 1. The property is currently zoned LO-NP. The proposed rezoning is LO-MU-NP, which is intended to allow office and residential use.
- 2. Section 25-2-894 of the Land Development Code reads as follows: "One dwelling unit is permitted as an accessory use if not more than 50 percent of the building is used for the dwelling unit. An occupant is not required to be engaged in the principal use."
 - The proposed rezoning of LO-MU-NP, and the termination of the restrictive covenant, would give the property owner the flexibility of having more that 50% of the building as residential.
- 3. The property owners would like to remodel the existing building and also add to it so they can live there and move their office from out of town a true Live/Work use.
- 4. **Plan Amendment:** we are requesting to change the FLUM from office to mixed use.

Greg Guernsey, Director
Planning and Development Review Department

RE: 2208 Lake Austin Blvd.

5. **Restrictive Covenant Termination**: The existing restrictive covenant limits the site to professional office use only. Therefore, terminating the restrictive convent would allow the property to accommodate both office and residential use.

The recorded restrictive covenant my client is seeking to terminate is attached. Please let me know if you have any questions or need additional information.

Sincerely,

Alice Glasco, President
