MEMORANDUM

TO: Betty Baker, Chairperson
Zoning and Platting Commission Members

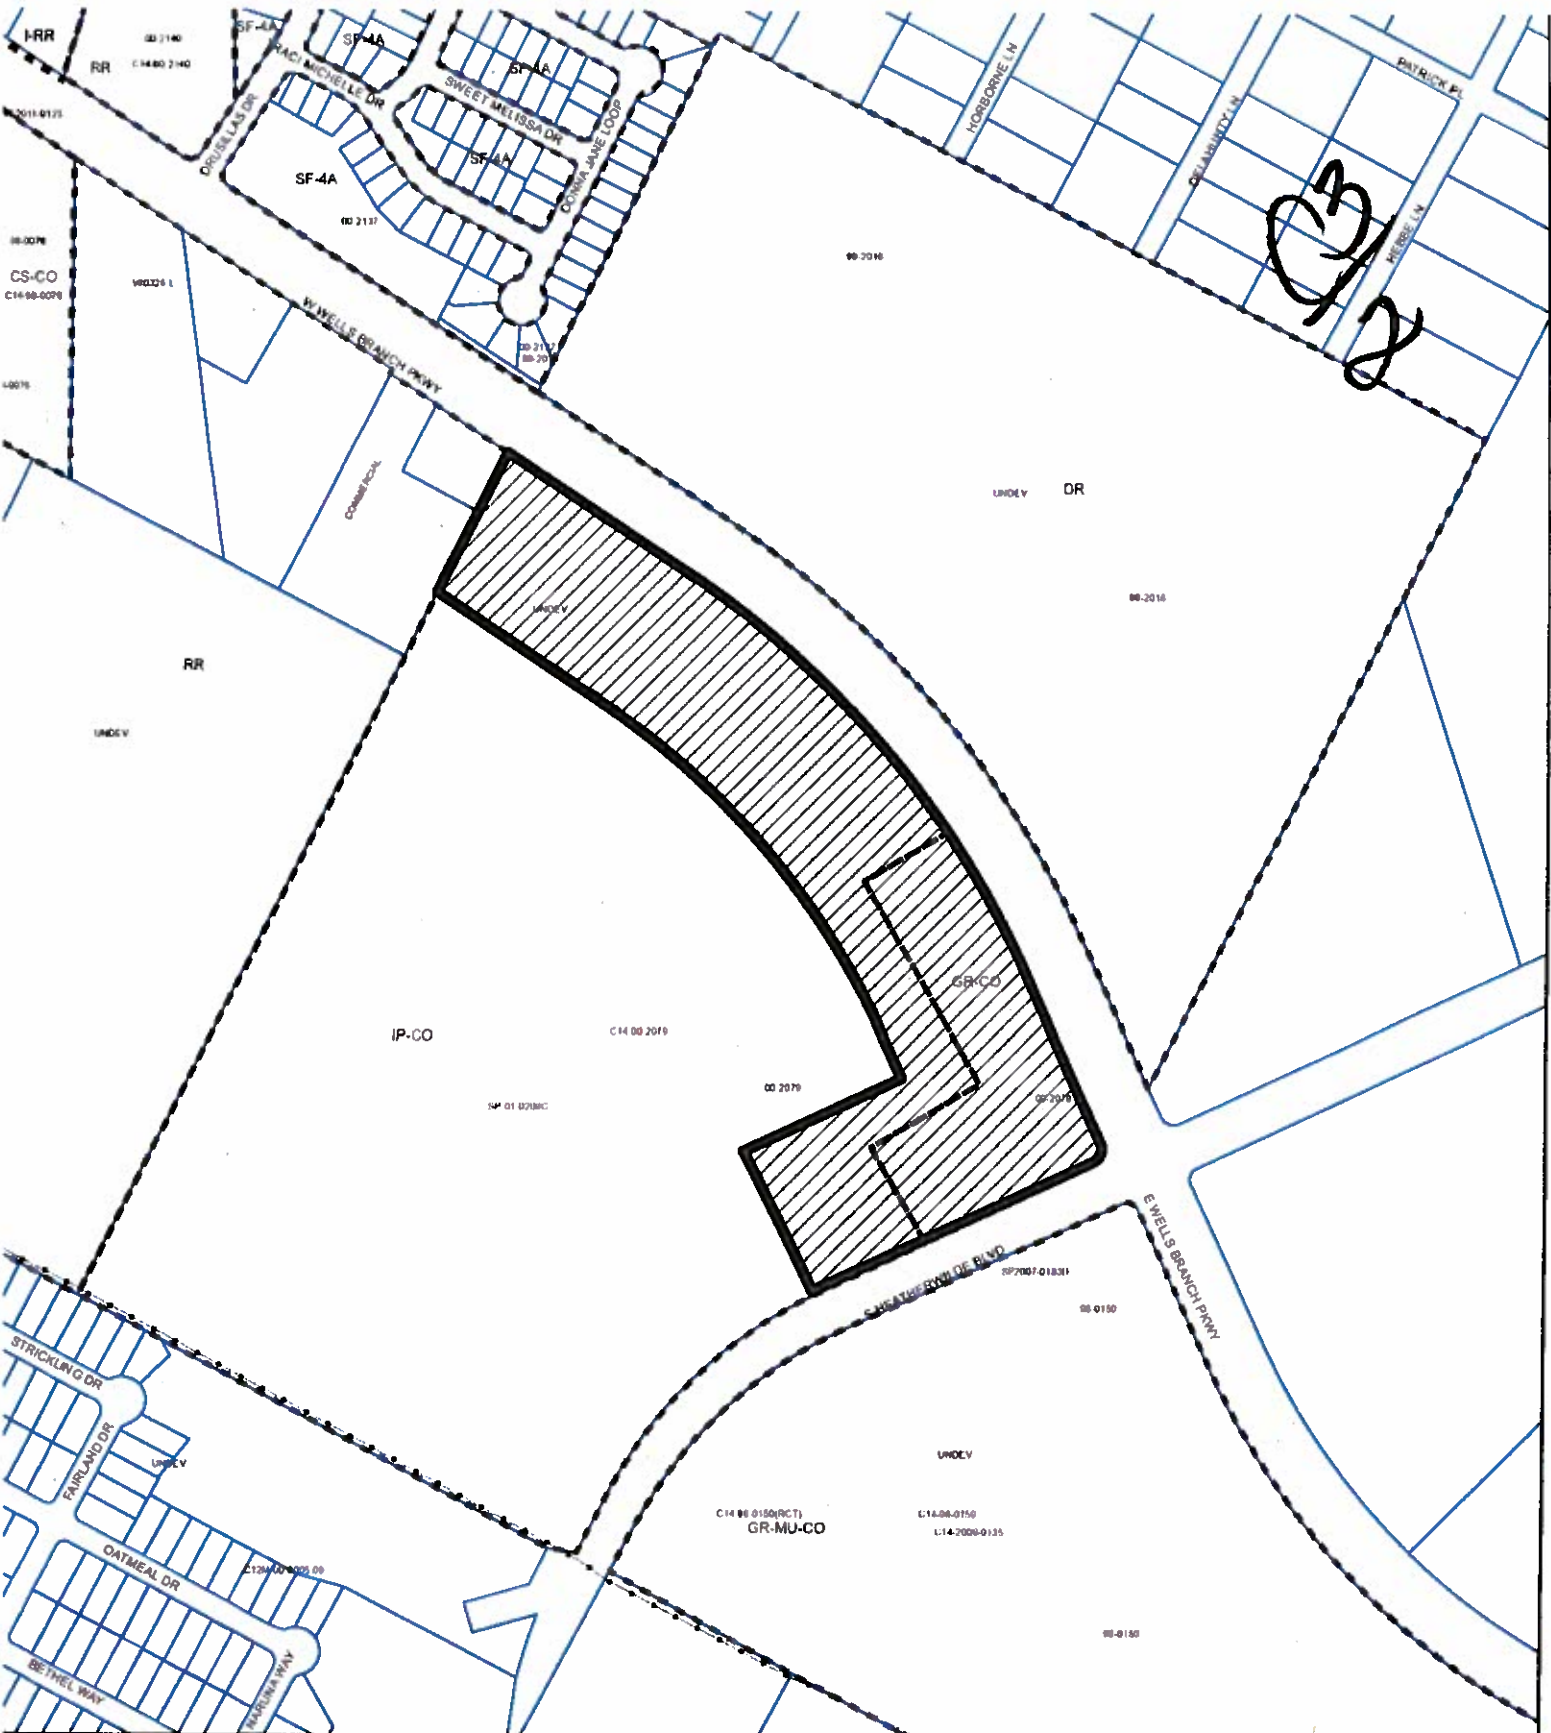

FROM: Sherri Sirwaitis
Planning and Development Review Department

DATE: June 11, 2014

RE: C14-2014-0037 (The Sealy) Postponement Request

The staff would like to request a postponement of the above mentioned case to July 15, 2014. The staff is asking for this postponement because the Transportation division provided the applicant with comments concerning the Transportation Impact Analysis (TIA) addendum for this property and the staff would like the applicant to have time to respond to and clear the outstanding TIA issues.

The postponement request was made in a timely manner and meets the Zoning and Platting Commission's policy.
