Members of the Planning Commission

**FROM:** Francis Reilly, Planning and Development Review

**DATE:** June 19, 2014

**RE:** South Austin Combined Neighborhood Plan  
Case #s: NP-2013-0030, C14-2014-0017 (Westgate), C14-2014-0018 (South Manchaca),  
C14-2014-0019 (Garrison Park)

Staff requests a postponement for the South Austin Combined Neighborhood Plan cases from June 24 to July 22.

On June 12, the Neighborhood Plan Committee of Planning Commission took action to move the plan forward to Planning Commission on July 22. The Committee requested that neighborhood associations concerned about potential conflict between deed restrictions and infill options send deed restrictions to staff; this postponement will allow time for associations to provide deed restrictions and for staff to make changes to recommendations as necessary.
