POLICY

- Residents stopped a convenience store on Bluff Springs Road from being built 1000ft from an elementary school which would have sold unhealthy foods and alcohol near students
- City HHS department approved a GAVA solicited policy change to require HHS funded providers serving nearly 1k youth to serve healthy and nutritious snacks during afterschool programming
- PARD increased the number of youth scholarships that pay 75% cost of programming fees. Currently Dove Springs Recreation Center has 70 youth enrolled in the scholarship program

- Increased participation in Summer Playground Program (2 sites)- Served 100+ youth 40 hours a week for active summer programming in neighborhood parks and playgrounds
- Dove Springs Recreation Center is now open 4 additional hours each week on Saturday and is serving an additional 50 youth each week compared to when the hours were reduced
- Leveraged CTG funding for technical assistance support from The Food Trust
