Additional Backup Information

The Trail Foundation sponsored a contract with McCann-Adams Studio to create a master plan for parkland along the southeast shore of Lady Bird Lake, in anticipation of the increased usage brought by the completion of the boardwalk trail.

The Master Plan will serve as a guide for best uses for new and existing parkland and facilities. PARD included a Technical Advisory Group (TAG) which consisted of numerous key City of Austin personnel representing various internal departments. The TAG committee provided input on future projects, requirements, regulations and permitting issues associated with any and all proposed improvements within the master plan area.

The dates of public notification in the Austin American-Statesman will be for 3 consecutive weeks from August 4, 2014 until August 18, 2014. The public hearing shall be conducted on August 21, 2014 at 4:00 pm, Austin City Hall, 301 W. 2nd Street, Austin, TX.
