Subject: Cooper Lane Rezoning - Item 105 - June 26th Agenda

All,

In the interest to save time, we respectfully request a postponement to the August 7th City Council agenda providing this case can be early on the 2:00 agenda for item to be heard. There are a lot of people (20 or so) that will attend in support from the neighborhood which is a strong working class, family valued neighborhood. I would appreciate your consideration of their time commitments in attending a public hearing associated with this zoning case.

Thank you for your consideration of this postponement and request for this case to be early on the agenda.
