

BOARD/COMMISSION RECOMMENDATION

Urban Transportation Commission

Recommendation Number: 20140610-03C, City of Austin's Electric Vehicle Program

NOW, THEREFORE, BE IT RESOLVED that the Urban Transportation Commission supports the City of Austin Electric Vehicle Program managed by Austin Energy, and in accordance with Council Resolution 20140213-045, supports the installation of restricted parking signage on all public property electric vehicle charging station locations with:

- Enforcement to be managed by The City of Austin Transportation Department's Parking Enforcement group; and
- Parking violations to be in accordance with similar restricted parking enforcement (e.g., like Car2go spaces, EV spaces will be enforced per Section 12-5-40 Tow-Away-Zones, with a \$30 early fine, \$50 standard fine).
