Subject: 2601 Canterbury St - request for postponement

C15-2014-0062

Hi Leane. I met with the neighbors near 2601 Canterbury St yesterday evening, and would like to have our case - set to be heard tonight - postponed until July. I am working with the neighbors to provide them with specific information about our proposed development at this site, and it will not be ready by tonight.

Thanks,
William
