Re: Variance from Waterfront Overlay District Section 25-2-735d for 1106 Lambie Street  
**Case No. SP-2013-0484CS**

Commissioners,

Please accept this correspondence as a formal request to withdraw the request for a waiver from Section 25-2-735D (Festival Beach Subdistrict Regulations) of the Austin City Code for a proposed four (4) unit residential development proposed at 1106 Lambie Street (SP-2013-0484CS). The Owner is processing a site plan and we were informed that sites in this area are limited to 40% impervious cover under the Waterfront Overlay District requirements. We will be meeting the impervious cover limit of 40%.

We are also withdrawing the request for a waiver to the front yard setback of twenty-five (25) feet and the side yard setback of fifteen (15) feet. We will meet the Compatibility setback standards and have placed the structure twenty-five (25) feet from the front property line. Should you require any additional information please contact our office.

Sincerely,

Kurt M. Prossner, P.E.  
President
