

Bicycle Advisory Council Recommendation

Recommendation Number: 20140617-004B – City of Austin Urban Trails Master Plan

Motioned by: Christopher Stanton

Seconded by: Tom Thayer

WHEREAS, the Bicycle Advisory Council (BAC) gives feedback to city staff and Council on major projects affecting cyclists; and

WHEREAS, the BAC has become a useful public dialogue between cyclist citizens and City of Austin staff; and

WHEREAS, the BAC is concerned with the safety of all citizen cyclists; and

WHEREAS, the Urban Trails Master Plan will improve and enhance the quality and safety of the citizen cyclist by providing a system of bicycle trails that are separated from motorized traffic.

NOW, THEREFORE, BE IT RESOLVED that the Bicycle Advisory Council supports the implementation of the Urban Trails Master Plan, with the understanding that there will be a ranking system for trails incorporated into the plan.
