H+T+J Action Team

## Recommendations

### 1. Develop a Comprehensive TOD Strategy

**Background: Austin's TOD Process:**

**Existing MetroRail Stations: 8 (7 of which have TOD status)**

**MetroRapid Stations: 41**

**Urban Rail Stations: 16 (proposed)**

H+T+J Action Team

## Recommendations

### 1. Develop a Comprehensive TOD Strategy

- Identify new TOD locations
- Revise typologies
- Update existing TOD overlays
- Prioritize TOD locations for incentive programs and improvements
- Dedicate Resources For Implementation

H+T+J Action Team

## **Recommendations**

### **2. Dedicate funding for Affordable Housing in the Urban Rail Project Corridor**

- Funds for targeted acquisition, rehabilitation and development of affordable housing in the corridor
- Dedicate a portion of the 2013 Affordable Housing G.O. Bonds Funds
- Consider additional funding

H+T+J Action Team

## **Recommendations**

### **3. Develop Dedicated Funding Mechanisms for Station Area improvements**

- Provide policy directive to explore feasibility of TIF districts and other funding mechanisms around TOD districts
- Include affordability as a target for TIF funding

H+T+J Action Team

## Recommendations

### 4. TOD Catalyst Fund (i.e., Strike Fund)

- Establish framework and fund management structure
- Create fund to sustain and increase affordable housing and small businesses;
  - Purchase property, land bank, etc.,
  - Convert to legally binding affordable housing
- City to provide seed funding coupled with public, private and non-profit sector investments

H+T+J Action Team

## Recommendations

### 5. Align Density Bonus Programs with FTA Guidelines

- Change median family income (MFI) requirements for rental to no greater than 60% MFI (per FTA Guidelines)
- Remove fee-in-lieu option
- Connect additional entitlements to provision of affordable units.

H+T+J Action Team

## Recommendations

### 6. Zoning to promote a Diversity of Households & Incomes

- Remove regulatory barriers to allow a greater variety of affordable housing types to support high capacity transit
- Support 10% affordability requirement in micro units
- Support accessory dwelling units (ADUs)
- H+T+J Team to engage with CodeNEXT to promote housing diversity and legally binding affordable housing

H+T+J Action Team

## Recommendations

### 7. Designate High Capacity Transit Corridors as Core Transit Corridors (CTC)

- CTC Designation would enable consideration of properties for VMU zoning
- Provide opportunity for transit-supportive development and affordable units

H+T+J Action Team

## Recommendations

### 8. Multi-Agency Collaboration to Support Transit

- City of Austin to coordinate with schools and higher ed, Travis County, State of Texas, and other agencies
- Explore opportunities for leveraged investments

H+T+J Action Team

## H+T+J Next Steps

- Memo to Mayor and Council with H+T+J recommendations
- Move forward on recommendations
- Items for Council Action
  - 1 FTE for H+T+J implementation (FY15)
  - Seed funding for TOD Catalyst fund
