- Waterfront clubhouse
- Extensive practice facilities
- Corporate meeting space
- Food and beverage amenities
- Golf course infrastructure
- Other public park amenities & trail connectivity

Project Proposal cont.

Proposed course designers are world renowned for unique and sustainable golf course designs.

Course #1: Coore/Crenshaw

Known for reducing the irrigation demand and making the course more natural in appearance.

Course #2: Ogilvy/Clayton

Aerial View from the East

An Australian enterprise lead by PGA Tour golfer Geoff Ogilvy

clubhouse + dock

Project Proposal cont.

Waterfront Clubhouse Vision:

View of Clubhouse looking northwest from Decker Lake

Lower Level

Main Level

- Building to float over waters edge
- Views of downtown Austin
- Incorporate local natural building materials
- Design will adhere to all COA codes
- Green Building Standards
- Energy reducing technology
- Natural ventilation and day-lighting
