RE: Postponement C14-2014-0034 and NPA-2014-0020.01
St Elmo's Market and Lofts

Dear Mayor Leffingwell and City Council members:

I have had more businesses contact me to discuss this potential zoning change. As some of the companies have their corporate head quarters out of state, I am asking for this to be rescheduled to go on the City Council's October 23 docket to give us more time to discuss it.

Sincerely

Robert L. Palmerton
