This contract will be awarded in compliance with City Code Chapter 2-9C (Minority-Owned and Women-Owned Business Enterprise Procurement Program). No subcontracting opportunities were identified; therefore, no goals were established for this contract.

Additional Backup Information

This contract is for the purchase of repair parts for various manufactured garbage truck bodies for City-owned refuse collection trucks that require aftermarket manufactured repair parts on an as needed basis.

The parts will be used for the daily operations of general routine repair and maintenance services for refuse trucks performed by City technicians. The City currently has approximately 115 refuse vehicles in the Fleet inventory which include various brands of truck bodies such as Heil, Labrie, Wayne, Leach, and Pak-Mor. This contract is necessary to support the Fleet Service department with a reliable and continuous source of supply to purchase these parts.
