Ordinance No. 20140807-017

Ordenanza No. 20140807-017

ORDINANCE NO. 20140807-017

AN ORDINANCE ORDERING A GENERAL MUNICIPAL ELECTION TO BE HELD IN THE CITY OF AUSTIN ON NOVEMBER 4, 2014, FOR THE PURPOSE OF ELECTING A MAYOR (AT LARGE) AND CITY COUNCIL MEMBERS (SINGLE MEMBER DISTRICTS) FOR DISTRICT 1, DISTRICT 2, DISTRICT 3, DISTRICT 4, DISTRICT 5, DISTRICT 6, DISTRICT 7, DISTRICT 8, DISTRICT 9, AND DISTRICT 10; ORDERING A SPECIAL ELECTION FOR THE PURPOSE OF AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION BONDS; PROVIDING FOR THE CONDUCT OF THE ELECTION; AUTHORIZING THE CITY CLERK TO ENTER INTO JOINT ELECTION AGREEMENTS WITH OTHER LOCAL POLITICAL SUBDIVISIONS AS MAY BE NECESSARY FOR THE ORDERLY CONDUCT OF THE ELECTION; AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. A general municipal election shall be held in the City of Austin on November 4, 2014. At the election there shall be elected by the qualified voters of the City a Mayor (at large) and City Council Members (single member districts) for District 1, District 2, District 3, District 4, District 5, District 6, District 7, District 8, District 9, and District 10. The candidates for Mayor shall meet all requirements and shall be residents of the City of Austin, and shall be elected by majority vote of the City at large. The candidates for Districts 1 through 10 shall meet all requirements and shall be residents of their respective districts, and shall be elected by majority vote of voters residing in each respective district.

PART 2. A special election shall be held in the City of Austin on November 4, 2014. At the election the voters shall consider the issuance of general obligation bonds.

PART 3. The Council establishes that the following bond proposition shall be presented to the voters at the special bond election on November 4, 2014:

PROPOSITION

Shall the City Council of the City of Austin, Texas be authorized to issue general obligation bonds and notes of the City for transportation and mobility purposes, to wit: planning, designing, engineering, acquiring, constructing, reconstructing, renovating, improving, operating, maintaining and equipping rail systems, facilities and infrastructure, including a fixed rail transit system to be operated by Capital Metropolitan Transportation Authority (which may spend its funds to build, operate and maintain such

system) servicing the East Riverside Corridor, downtown Austin, the State Capitol complex, the Medical School complex, the University of Texas, Hancock Center, Austin Community College Highland campus, and surrounding neighborhoods; roadway improvements related to such rail systems, facilities and infrastructure; acquiring land and interests in land and property necessary therefor; and all matters necessary or incidental thereto; with the bonds and notes to be issued in one or more series or issues, in the aggregate principal amount of \$600,000,000, to mature serially or otherwise and bear interest at a rate or rates not to exceed the respective limits prescribed by law at the time of issuance, and to be sold at the price or prices as the City Council determines and shall there be levied and pledged, assessed, and collected annually ad valorem taxes on all taxable property in the City in an amount sufficient to pay the annual interest on the bonds and notes and to provide a sinking fund to pay the bonds and notes at maturity; provided, however, that no bonds or notes shall be issued to pay costs of the fixed rail transit system (other than expenditures for planning, designing and engineering necessary to obtain grant and/or match funding) unless (i) the City obtains one or more commitments for grant or match funding from the Federal Transit Administration or one or more other federal or state sources for the cost of the fixed rail transit system and (ii) the City provides funding in an amount not less than \$400,000,000 to pay costs of roadway improvement projects of regional significance that are designed to relieve congestion, enhance mobility and manage traffic in the I-35, US 183, SH 71, RM 620, RM 1826, RM 2222, FM 734 (Parmer), Lamar Boulevard, and Loop 360 corridors?

PART 4. The Proposition will appear on the official ballot in substantially the following form, and the ballot shall be prepared to permit voting "for" or "against" the Proposition:

PROPOSITION

The issuance of \$600,000,000 bonds and notes for rail systems, facilities and infrastructure, including a fixed rail transit system to be operated by Capital Metropolitan Transportation Authority (which may spend its funds to build, operate and maintain such system) servicing the East Riverside Corridor, downtown Austin, the State Capitol complex, the Medical School complex, the University of Texas, Hancock Center, Austin Community College Highland campus, and surrounding neighborhoods, and roadway improvements related to such rail systems, facilities and infrastructure; provided that the City may not issue bonds or notes to pay costs of the fixed rail transit system (other than expenditures for planning, designing and engineering necessary to obtain grant and/or match funding) unless (i) the

City obtains grant or match funding for the cost of the fixed rail transit system from the Federal Transit Administration or one or more other federal or state sources and (ii) the City provides funding in an amount not less than \$400,000,000 to pay costs of roadway improvement projects of regional significance that are designed to relieve congestion, enhance mobility and manage traffic in the I-35, US 183, SH 71, RM 620, RM 1826, RM 2222, FM 734 (Parmer), Lamar Boulevard, and Loop 360 corridors; and the levy of a tax sufficient to pay for the bonds and notes.

PART 5. As contemplated by the Locally Preferred Alternative contained in the 2014 Strategic Mobility Plan approved by Council on June 26, 2014, the fixed rail transit system is expected to consist of a 9.5 mile urban rail double-tracked, electrified route in mostly dedicated guideways. The general location of the proposed route of the fixed rail transit system is expected to run along a route that will serve the East Riverside Corridor, downtown Austin, the State Capitol complex, the Medical School complex, the University of Texas, Hancock Center, Austin Community College Highland campus, and surrounding neighborhoods. The general description of the form of the fixed rail transit system, including the general location of the proposed route, is provided herein pursuant to Section 451.071, Texas Transportation Code, to authorize Capital Metropolitan Transportation Authority to participate and to spend its funds in building, operating and maintaining the fixed rail transit system. The final alignment of the route may be adjusted to accommodate any required governmental approvals and to maximize service characteristics, including stop spacing, speed, frequency, and reliability. Capital Metropolitan Transportation Authority shall participate in building, operating and maintaining the fixed rail transit system to the extent and pursuant to such terms and conditions as shall be mutually acceptable to the City and Capital Metropolitan Transportation Authority.

PART 6. (a) The Council intends that funding for a portion of the costs of the fixed rail transit system will be obtained from other sources and, before the issuance of bonds or notes pursuant to the Proposition to pay costs of the fixed rail transit system (other than expenditures for planning, designing and engineering necessary to obtain grant and/or match funding), the City shall obtain one or more commitments for grant or match funding from the Federal Transit Administration or one or more other federal or state sources, which may include federal match funding, federal grant funding or federal reimbursements, in an amount that, when combined with proceeds of bonds and notes authorized to be issued pursuant to the Proposition and any other sources of funding to be provided by the City, will be sufficient to fund the projected cost of the fixed rail transit system (or the portion thereof then identified for funding) according to the scope and budget of the fixed rail transit system (or the portion thereof then identified for funding) presented in a funding application or funding request submitted to the Federal Transit Administration, or any successor, replacement or alternate funding agency.

(b) In furtherance of the 2014 Strategic Mobility Plan's guiding principles of adding capacity to the transportation network and building on previous mobility investments and in addition to the funding for rail systems, facilities and infrastructure contemplated by the Proposition, before bonds or notes may be issued pursuant to the Proposition to pay costs of the fixed rail transit system (other than expenditures for planning, designing and engineering necessary to obtain grant and/or match funding), the City shall provide funding in an amount of not less than \$400,000,000 to pay costs of roadway improvement projects, determined by the Council to be transportation projects of regional significance, that are designed to relieve congestion, enhance mobility and manage traffic in the I-35, US 183, SH 71, RM 620, RM 1826, RM 2222, FM 734 (Parmer), Lamar Boulevard, and Loop 360 corridors. Projects identified in the "Summary of 2014 Austin Strategic Mobility Plan and Proposed Funding" contained in the 2014 Strategic Mobility Plan are hereby determined to be transportation projects of regional significance that are designed to relieve congestion, enhance mobility and manage traffic in the I-35, US 183, SH 71, RM 620, RM 1826, RM 2222, FM 734 (Parmer), Lamar Boulevard, and Loop 360 corridors, and the costs of such projects may be counted toward the funding requirement contemplated by the Proposition and this Part 6(b); provided, however, that costs of the Central Corridor Urban Rail LPA shall not be counted toward the funding requirement for roadway improvements contemplated by the Proposition and this Part 6(b). The obligation to provide funding imposed by the Proposition and this Part 6(b) shall be deemed satisfied upon a determination by Council that the City has spent or appropriated funds in the cumulative amount of not less than \$400,000,000 to pay costs of projects, or portions thereof, described in the "Summary of 2014 Austin Strategic Mobility Plan and Proposed Funding" contained in the 2014 Strategic Mobility Plan. Council intends that funding in furtherance of such projects shall be provided by the City as soon as reasonably possible to advance the 2014 Strategic Mobility Plan's guiding principles of adding capacity to the transportation network and building on previous mobility investments.

(c) No bonds or notes shall be issued pursuant to the Proposition to pay costs of the fixed rail transit system (other than expenditures for planning, designing and engineering necessary to obtain grant and/or match funding) until the funding requirements set forth in subparts (a) and (b) of this Part 6 have been satisfied. Funding for roadway improvement projects contemplated by Part 6(b) is not contingent upon the issuance of bonds or notes to pay costs of the fixed rail transit system.

PART 7. Pursuant to Section 3.009, Texas Election Code: (i) the proposition language that will appear on the ballot is set forth in Part 4, (ii) the purposes for which the bonds and notes are to be authorized are set forth in Part 3, (iii) the principal amount of bonds and notes to be authorized is set forth in Part 3, (iv) if the issuance of bonds and notes is authorized by voters, taxes sufficient, within the limits prescribed by law, to pay the annual principal of and interest on the bonds and notes and to provide a sinking fund to

pay the bonds and notes may be imposed, as set forth in Part 3, (v) bonds and notes authorized pursuant to this ordinance may be issued to mature over not to exceed 40 years from their date of issuance and bearing interest at the rate or rates (not to exceed 15%), as authorized by law and determined by the Council, (vi) as of the beginning of the City's current fiscal year, the aggregate amount of outstanding principal of the City's debt obligations was \$1,141,790,000, and the aggregate amount of outstanding interest on the City's debt obligations was \$417,590,759, and (vii) the City's ad valorem debt service tax rate as of the date of adoption of this ordinance is \$0.1171 per \$100 of taxable property.

Based upon market conditions as of the date of this ordinance and using taxable assessed values for the 2013 tax year (2013/14 fiscal year), without adjustment for anticipated growth in taxable assessed value in future years, if the bonds and notes are authorized, the estimated total tax rate of the City is expected to be approximately \$0.6277 per \$100 of taxable assessed value (which represents an increase of \$0.1250 per \$100 of taxable assessed valuation as compared to the City's total tax rate as of the date of adoption of this ordinance), based on current State law, which is subject to change. As reported in the 2014 Strategic Mobility Plan, applying the assumptions used in the General Obligation Bond Capacity Analysis dated April 29, 2014, which includes forecasted growth in taxable assessed values, City financial staff has determined that, if the bonds and notes are issued, the City's total tax rate would increase by \$0.0625 per \$100 of taxable assessed valuation (as compared to the City's total tax rate as of the date of adoption of this ordinance). The foregoing estimates include the impact of any debt incurred to fund roadway improvement projects contemplated by Part 6(b).

If approved by voters, the bonds and notes will be secured by an ad valorem tax that is sufficient, within the limits prescribed by law, to pay the principal of and interest on the bonds and notes and to provide a sinking fund to pay the bonds and notes. Actual tax rates, interest rates, maturity dates, aggregate outstanding indebtedness and interest on such debt, will only be established and known at the time that bonds and notes are issued. In addition, actual tax rates will depend upon, among other factors, the assessed valuation of taxable property, prevailing interest rates, the market for the City's bonds and notes and general market conditions at the time that bonds and notes are issued.

The estimated tax rates and other statements contained in this Part 7 are (i) based on certain assumptions, including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds and notes, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds and notes are issued differ from such assumptions and projections, (iii) provided in satisfaction of the requirements of Section 3.009, Texas Election Code, without any assurance that such projections will be realized, and (iv) not intended to give rise to a

contract with voters or limit the authority of the Council to issue bonds and notes in accordance with the Proposition submitted herein.

PART 8. The election shall be conducted between the hours of 7:00 a.m. and 7:00 p.m. The precincts and locations of the election day polling places; the dates, hours, and locations of the early voting places; and the names of the officers appointed to conduct the election are provided in Exhibits A-G attached and incorporated as a part of this ordinance.

PART 9. A direct electronic recording voting system, as the term is defined in Title 8 of the Texas Election Code, shall be used for early voting and for voting conducted on election day. The central counting station is established at the Travis County Elections Division, 5501 Airport Boulevard, Austin, Texas.

PART 10. (a) Notice of this election shall be given by posting and publishing a copy of this ordinance in both English and Spanish. The notice and a copy of this ordinance shall be posted, in both English and Spanish, in three public places and at the City Hall notice kiosk not later than the 21st day before election day. The copy of the notice posted at City Hall shall be accompanied by a cover page, at the top of which shall appear the words "A MUNICIPAL GENERAL AND SPECIAL ELECTION, NOVEMBER 4, 2014." Notice of this election shall be published, not earlier than the 30th day before the date of the election, in a newspaper of general circulation on the same day in each of two successive weeks, with the first publication occurring before the 14th day before the date of the election.

(b) A copy of this ordinance shall be posted, in both English and Spanish, on election day and during early voting by personal appearance, in a prominent location at each polling place.

(c) This ordinance, together with the notice of election and the contents of the Proposition, shall be posted on the City's website, in both English and Spanish, during the twenty-one (21) days before the election.

PART 11. In accordance with Chapter 271 of the Texas Election Code, the November 4, 2014 municipal election may be held jointly with the various political subdivisions that share territory with the City of Austin and that are holding elections on that day. The City Clerk may enter and sign joint election agreements with other political subdivisions for this purpose, and their terms as stated in the agreements are hereby adopted.

PART 12. This ordinance is adopted pursuant to the City Charter; pursuant to Section 41.001, Texas Election Code, specifying the date as a uniform election date on which a general election may be held; pursuant to Chapter 1251, Texas Government Code, to authorize the issuance of the City's general obligation bonds and notes for the purposes

stated herein; and pursuant to Section 451.071, Texas Transportation Code, to authorize the financial participation of Capital Metropolitan Transportation Authority in building, operating and maintaining the fixed rail transit system.

PART 13. The Council finds that the need to immediately begin required preparations for this election constitutes an emergency. Because of this emergency, this ordinance takes effect immediately on its passage for the immediate preservation of the public peace, health, and safety.

ELECTION AGREEMENT BETWEEN TRAVIS COUNTY AND CITY OF AUSTIN

Pursuant to Chapter 31, Subchapter D, Chapter 123, and Chapter 271 of the Texas Election Code ("Code") and Chapter 791 of the Texas Government Code, Travis County and City of Austin ("Participating Entity") enter into this Agreement for the Travis County Clerk, as the County's Election Officer, to conduct the Participating Entity's elections, including run-offs, and for the Participating Entity's use of the County's current or future-acquired election equipment for any voting system that the County adopts, as authorized under Title 8 of the Election Code, for all Participating Entity elections. The purpose of this Agreement is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the Participating Entity.

I. GENERAL PROVISIONS

- (A) Except as otherwise provided in this Agreement, the term "election" refers to any Participating Entity election, occurring on any uniform election date prescribed by the Texas Election Code or a primary election date and a resulting run-off, if necessary, within all Participating Entity territory located in Travis, Williamson and Hays Counties. If a run-off is necessary, the Participating Entity shall work with the Election Officer to determine a mutually acceptable run-off date; in the event that the Participating Entity and any other entity for which the County is providing election services or for which the County is conducting a joint election do not agree on a run-off date, the Participating Entity agrees to whichever run-off date is selected by the Election Officer.
- (B) If the Participating Entity determines it is necessary to conduct an election during a time other than that specified in I.(A), the Election Officer and a representative designated by the Participating Entity will meet as soon as possible to determine the feasibility of the Election Officer conducting such an election. If both parties agree that the Election Officer will administer this election, the new election will be based on all other applicable provisions of this Agreement, except provisions that are inconsistent and cannot be feasibly applied.
- (C) Except as otherwise provided in this Agreement, the term "Election Officer" refers to the Travis County Clerk.
- (D) Except as otherwise provided in this Agreement, the term "precinct" means all precincts in the territory of the Participating Entity located within Travis County, as they currently exist or are as later modified to incorporate single-member districts.
- (E) Except as otherwise provided in this Agreement, the term "election services" refers to services used to perform or supervise any or all of the duties and functions that an election officer determines necessary for the conduct of an election. Except as otherwise provided in this Agreement, the term "cost for election services" includes the costs for personnel, supplies, materials, or services needed for providing these services as

permitted by the Texas Election Code. The term does not refer to costs relating to the use of the voting equipment.

- (F) Except as otherwise provided in this Agreement, the cost for "use of voting equipment" is the amount the Participating Entity agrees to pay the County for use of the County's direct electronic recording equipment or any other voting equipment in use at the time of the election (hereinafter referred to as DRE).
- (G) The Participating Entity agrees to commit the funds necessary to pay for election-related expenses for Participating Entity elections.
- (H) The Election Officer has the right to enter into agreements with other entities at any time, including during the dates listed in I.(A).
- (I) As a condition for providing election services and equipment usage, the Election Officer may require authorities of political subdivisions holding elections on the same day in all or part of the same territory to enter into a joint election agreement as authorized in Chapter 271 of the Texas Election Code. The Participating Entity agrees to enter into any joint election agreement required by the County.

II. PARTICIPATING ENTITY'S USE OF VOTING EQUIPMENT

The County shall make available to the Participating Entity their current and future-acquired voting system as authorized under Title 8 of the Election Code, subject to reasonable restrictions and conditions imposed by the Election Officer to ensure availability of the equipment for County-ordered elections, primary elections, and subsequent run-off elections, if applicable. The Election Officer may impose reasonable restrictions and conditions to protect the equipment from misuse or damage.

III. APPOINTMENT OF ELECTION OFFICER

- (A) The Travis County Election Officer ("Election Officer") is appointed to serve as the Participating Entity's Election Officer and Early Voting Clerk to conduct the Participating Entity's elections described in Section I.
- (B) As the Participating Entity's Election Officer and Early Voting Clerk, the Election Officer shall coordinate, supervise, and conduct all aspects of administering voting in Participating Entity elections in compliance with all applicable laws, subject to Section III. (C) below. The Election Officer will provide the Participating Entity's election results for their precincts located in Williamson and Hays Counties.
- (C) The Participating Entity shall continue to perform those election duties listed in (1) through (8) below and any other election duties that may not be delegated to another governmental entity such as receipt of candidate applications:

- (1) preparing, adopting, and publishing all required election orders, resolutions, notices and other documents, including bilingual materials, evidencing action by the governing authority of the Participating Entity necessary to the conduct of an election, except Election Officer shall (1) publish a single newspaper notice that includes Participating Entity; however, such publishing expense will not be included in the pro rata assessment for remaining joint Participating Entities, and (2) in any debt obligation elections, post the notice required by and in accordance with Section 4.003(f), Texas Election Code, in each election day and early voting polling place;
 - (2) preparing any necessary federal Voting Rights Act election preclearance submissions to the U.S. Department of Justice, other than changes in a joint election conducted under this Agreement that directly affect the County;
 - (3) preparing the text for the Participating Entity's official ballot in English and Spanish, and any other languages as required by law;
 - (4) providing the Election Officer with a list of candidates or propositions showing the order and the exact manner in which the candidates' names and the propositions are to appear on the official ballot;
 - (5) conducting the official canvass of a Participating Entity election;
 - (6) administering the Participating Entity's duties under state and local campaign finance laws;
 - (7) having a Participating Entity representative serve as the custodian of its election records; and
 - (8) filing the Participating Entity's annual voting system report to the Secretary of State as required under Chapter 123 et seq. of the Texas Election Code.
- (D) The Participating Entity shall also be responsible for proofing and attesting to the accuracy of all ballot language and format information programmed by the County. This includes any information programmed for use with the audio or tactile button features of the equipment. The Participating Entity will also monitor and review all logic and accuracy testing and mandatory tabulations. The Participating Entity will complete its duties within timeframes as prescribed by the County. If the Participating Entity finds any discrepancies or concerns, it will immediately report them to the Election Officer and work with the Election Officer's staff to resolve any issues so that final approval can be reached. The Participating Entity shall be responsible for any and all actual costs associated with correcting the ballot and ballot programming if the error is discovered after the Participating Entity has signed off on its final proof containing the error.

- (E) The City Clerk of the City of Austin ("City Clerk") will assist the County whenever possible when the conduct of the election requires assistance from Participating Entity departments and staff. The City Clerk will serve as the Regular Early Voting Clerk for the Participating Entity to receive requests for applications for early voting ballots and forward these applications to the Joint Early Voting Clerk. The City Clerk will serve as the Custodian of Records for the Participating Entity to complete those tasks in the Election Code that the Election Officer will not perform.

IV. ELECTION WORKERS AND POLLING PLACES

- (A) For presentation to the governing body of the Participating Entity, the County shall provide a list containing the locations, times, and dates of early voting polling places suitable for consideration and adoption by the governing body in accordance with Texas Election Code Chapter 85, and also a list of judges and alternates pursuant to Election Code Chapter 32, no later than the 45th day before the election. The Election Officer will designate and confirm all election day polling place locations.
- (B) The Election Officer will assume the responsibility for recruiting election personnel; however, if by the 5th day before the election, the Election Officer reports vacancies in positions for election judges, alternate judges, election day clerks, early voting ballot board, receiving substation clerks, or any other key election personnel, the Participating Entity shall provide emergency personnel in these positions.
- (C) The Election Officer shall notify each of the election judges and alternates of their appointment and the eligibility requirements that pertain to them and to the selection of election day clerks. Included in this notification will be the number of clerks that each precinct should have in addition to the election judge and alternate judge. The election judges and/or the alternates are responsible for recruiting and supervising their clerks.
- (D) All election workers must agree to attend training sessions as determined by the Election Officer. Costs for these training sessions and compensation for attendees, if authorized, will be included as part of the election services costs.
- (E) During any election and any subsequent runoff election that involve entities in addition to the Participating Entity, the Election Officer will work with all parties to find a plan that can be agreed upon regarding the designation of polling places. If agreement cannot be reached, the Election Officer will resolve the differences. In all cases, emergency polling place changes will be made by the Election Officer.

V. PAYMENTS FOR ELECTION SERVICES

- (A) Payments for the use of voting equipment are addressed separately in Section VI of this Agreement.
- (B) At the time a Participating Entity executes this Agreement, its representative must tender \$100 towards the costs associated with administering the election including, but not

limited to, polling place searches and preparation for poll worker training. If the election is ultimately held by the Election Officer, the \$100 fee will be applied towards the Participating Entity's total costs due to the Election Officer. Not later than October 1 before a November election, or not later than the 35th day before any election not held in November, the Participating Entity will make a payment equal to 75% of the total of the Participating Entity's projected share of election costs according to the most recent calculation presented by the Election Officer. Additionally, a cost estimate will be submitted to the Participating Entity no later than the 50th day before the election.

- (C) In case of a cancellation of an election by the Participating Entity, the Participating Entity shall notify the Election Officer on or before 11:59 p.m. on the 60th day before the election whether it expects to be able to cancel its election, and on or before 11:59 p.m. on the 53rd day before the election if that election will or will not be cancelled. If the Participating Entity cancels its election, the \$100 fee will not be refunded.
- (D) Notwithstanding the provisions in IX.(B), the County and the Participating Entity agree that notice under V.(C) can be provided via e-mail to the County at elections@co.travis.tx.us and cc to michael.winn@co.travis.tx.us. Email notification shall be sent by the City Clerk. No further costs (except for the \$100 fee) will be due if the Election Officer receives final written notice on or before 11:59 p.m. of the 53rd day before the election that an election will be cancelled. Within thirty days after receipt of an election cost schedule or bill setting forth the Election Officer's actual contract expenses and charges incurred in the conduct of the election, the Participating Entity shall pay the Election Officer the remaining balance due. If there is a run-off election, the Participating Entity will make a payment equal to 75% of the projected costs for the run-off election immediately after receiving that projected cost from the Election Officer. The projected share of election costs will include the 10% fee for election services as discussed in V.(E).
- (E) The Election Officer will charge a fee for election services, as described in Section V, equal to 10% of the total costs of each election, excluding the costs of voting equipment. Costs for use of voting equipment are described in Section VI. In the event of a joint election, the election costs will be divided on a pro rata basis among all entities involved in the election in the following manner referred to hereafter as the "pro rata methodology": the number of precincts each participating entity has involved in an election will be added together. The proportional cost of each participating entity for election services will be calculated by multiplying the proportional percentage of each participating entity by the total cost of the election. The product of these numbers is the pro rata cost of each participating entity. Additionally, the Participating Entity acknowledges and understands that if any other Participating Entity should cancel its election, each remaining Participating Entity's pro rata cost will result in a proportionate cost increase.
- (F) For elections that do not have a run-off election, the County will send the Participating Entity a final invoice of election expenses not later than the 90th day after an election. For elections that do have a run-off, the County may send the Participating Entity a final

invoice of election expenses not later than the 90th day after the run-off election. The total amount due according to these invoices shall be offset by payments made for costs made in accordance with Subsection (B) of this section and offset by any payments made otherwise, such as proceeds received by the County in a sale, exchange, or return of voting equipment subject to the Addendum to the Election Services Agreement executed on October 25, 2011, which is hereby attached as Exhibit A and incorporated herein for all applicable purposes. The County shall prepare the invoice to include (1) an itemized list of each election expense incurred; (2) an itemization of any adjustments or credits to the first post-election invoice; and (3) the total payment due from the Participating Entity for any portion of the Participating Entity's costs not included in the City's payment or not included as payment for an "upfront" cost.

- (G) The Participating Entity shall promptly review an election invoice and any supporting documentation when received from the County. The Participating Entity may audit, during normal business hours, relevant County election or accounting records upon reasonable notice to the County. The Participating Entity shall pay the entire final invoice or the undisputed portion of the final invoice not later than the 30th day after receiving the invoice. Failure to timely pay invoice in full may impact Election Officer's participation in future elections with Participating Entity.

VI. PAYMENTS FOR USE OF VOTING EQUIPMENT

- (A) The Election Officer shall conduct elections using a voting system certified by the Secretary of State in accordance with the Texas Election Code and that has been approved for use by the Travis County Commissioners Court unless otherwise agreed upon by both parties.
- (B) The Participating Entity shall make payments to Travis County as consideration for the use of the County's DRE equipment. The Participating Entity shall pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (C) If the Participating Entity holds an election on a date when the County is holding its own election, the Participating Entity is not charged any cost for equipment usage. However, if a run-off election is necessary after such an election, the Participating Entity will be responsible for payment of equipment usage.
- (D) If the Participating Entity holds an election on a date other than as listed in Section I.(A), the Participating Entity will pay \$5 for each unit of electronic voting system equipment installed at a polling place; and \$5 for each unit of other electronic equipment used to conduct the election or provide election services.
- (E) Payment by the Participating Entity to the County for DRE equipment is due 30 days after receipt of billing as part of the final payment for election costs as discussed in Section V. (D).

- (F) If the County acquires additional equipment, different voting equipment, or upgrades to existing equipment during the term of this contract, the charge for the use of the equipment may be renegotiated.

VII. ADDITIONAL EARLY VOTING LOCATIONS

- (A) All of the Participating Entity's voters within Travis County will have access to all of the Travis County Early Voting sites in each election at no additional cost. If Travis County does not run a permanent or mobile site in a Participating Entity's area, the Participating Entity may request a mobile unit for one to five days. This would include Travis County staff setting up and breaking down the equipment daily, training staff for each location, and providing Travis County law enforcement to secure the equipment in the Travis County Elections Division's safe at 5501 Airport on a daily basis.
- (B) Any Participating Entity requesting additional early voting sites shall be responsible for the additional daily cost of \$1,560 per location, with said costs to be included in the overall election costs for that Participating Entity.

VIII. COMMUNICATIONS

- (A) The Participating Entity and the Election Officer shall each designate a member of their staff to serve as the primary contact for the respective offices under this Agreement and provide the name and contact information for that individual to each entity.
- (B) Throughout the term of this Agreement, the Participating Entity and the County will engage in ongoing communications regarding issues related to Participating Entity elections, the use of County's voting equipment, and the delivery of services under this Agreement and, when necessary, the County Clerk, elections division staff members, and other election workers shall meet with the Participating Entity to discuss and resolve any problems which might arise under this Agreement.
- (C) The Election Officer shall be the main point of media contact for election information related to election administration. The Participating Entity shall designate a contact to be the main point of contact for matters related to the content of the Participating Entity's ballot or candidates.

IX. MISCELLANEOUS PROVISIONS

THE STATE OF TEXAS
COUNTY OF WILLIAMSON

JOINT ELECTION AGREEMENT AND CONTRACT FOR ELECTION SERVICES

THIS Joint Election Agreement and Contract for Election Services ("Contract") is made by and between the Williamson County Elections Administrator ("Elections Administrator") and the following political subdivisions ("Participating Authority" or "Participating Authorities") located entirely or partially inside the boundaries of Williamson County. The complete list of Participating Authorities will be available after the final day to cancel an election as prescribed by the Secretary of State's election calendar and will be listed as **Attachment A**.

This Contract is made pursuant to Texas Election Code Sections 31.092 and 271.002 and Texas Education Code Section 11.0581 for a joint election to be held on the uniform election date of November 4, 2014, and administered by Jason M. Barnett, Williamson County Elections Administrator. This Contract supersedes any and all prior contracts and agreements to conduct joint elections between a Participating Authority and the Williamson County Elections Office.

RECITALS

WHEREAS, each Participating Authority listed above plans to hold a Uniform Election on November 4, 2014.

WHEREAS, Williamson County owns an electronic voting system, the Election System and Software (ES&S) iVotronic/M100/M650 Voting System (Version 3.0.1.1), which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended, and is compliant with the accessibility requirements for persons with disabilities set forth by Texas Election Code Section 61.012. The Participating Authorities desire to use Williamson County's electronic voting system, to compensate Williamson County for such use, and to share in certain other expenses connected with joint elections, in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended, and

NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, IT IS AGREED, as follows:

I. ADMINISTRATION

The Participating Authorities agree to hold a "Joint Election" with Williamson County, if applicable, and each other in accordance with Chapter 271 of the Texas Election Code and this Contract. The Elections Administrator shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this Contract. Each Participating Authority agrees to pay the Elections Administrator for equipment, programming, election personnel, supplies, services, and administrative costs as provided in this Contract. The Elections Administrator shall serve as the Election Officer for the Joint Election; however, each Participating Authority shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of each Participating Authority as necessary.

It is understood that other political subdivisions and districts may wish to participate in the use of Williamson County's electronic voting system and polling places, and it is agreed that the Elections Administrator may enter into other contracts for election services for those purposes, on terms and conditions generally similar to those set forth in this Contract. In such cases, costs shall be pro-rated among the participants according to Section XI of this Contract.

Each election judge and clerk will receive compensation at the hourly rate established by Williamson County pursuant to Texas Election Code Section 32.091. The election judge, or his designee, will receive an additional sum of \$25.00 for picking up the election supplies prior to Election Day and for returning the supplies and equipment to the central counting station after the polls close.

The compensation rates established by Williamson County are:

Early Voting – Early Voting Supervisor (\$12 an hour), Clerks (\$10 an hour)
Early Voting – EV Mobile Team: Supervisor (\$14 an hour), Clerks (\$12 an hour)
Election Day – Presiding Judge (\$12 an hour), Alternate Judge (\$10 an hour), Clerk (\$10 an hour)

Election judges and clerks who attend voting equipment and procedures training shall be compensated at the hourly rates listed above. Election poll workers will be paid a flat fee of \$25.00, one time annually (per calendar year) for 100% completion of the Williamson County online poll worker training program.

The Elections Administrator may employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies during early voting and on Election Day for the efficient tabulation of ballots at the central counting station, and for the post-election processes conducted by warehouse personnel. Part-time personnel working in support of the Early Voting Ballot Board and/or central counting station on election night will be compensated at the hourly rate set by Williamson County in accordance with Election Code Sections 87.005, 127.004, and 127.006.

In accordance with Sec. 31.098 of the Texas Election Code, the Elections Administrator is authorized to contract with third persons for election services and supplies. The actual cost of such third-person services and supplies will be paid by the Elections Administrator and reimbursed by the Participating Authorities.

V. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Administrator shall arrange for all election supplies and voting equipment including, but not limited to, Williamson County's electronic voting system and equipment, official ballots, sample ballots, voter registration lists, and all forms, signs, maps and other materials used by the election judges at the voting locations. The Elections Administrator shall ensure availability of tables and chairs at each polling place and shall procure rented tables and chairs for those polling places that do not have a sufficient number of tables and/or chairs. The Elections Administrator shall be responsible for conducting all required testing of the electronic equipment, as required by Chapters 127 and 129 of the Texas Election Code.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. A single ballot containing all the offices or propositions stating measures to be voted on at a particular polling place may be used in a joint election. A voter may not be permitted to select a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The Elections Administrator shall provide the necessary voter registration information, maps, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election.

Each Participating Authority shall furnish the Elections Administrator a list of candidates and/or propositions showing the order and the exact manner and in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles of offices and text in both English and Spanish languages). The Participating Authorities are required to submit information in a format or template provided by the Election Office. Each Participating Authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions. Each Participating Authority shall also be responsible for proofing and approving the audio recording of the ballot insofar as it pertains to that authority's candidates and/or propositions.

additional members to constitute the EVBB. The Elections Administrator shall determine the number of EVBB members required to efficiently process the early voting ballots.

VIII. CENTRAL COUNTING STATION AND ELECTION RETURNS

The Elections Administrator shall be responsible for establishing and operating the central counting station to receive and tabulate the voted ballots in accordance with the provisions of the Texas Election Code and of this Contract.

The Participating Authorities hereby, in accordance with Section 127.002, 127.003, and 127.005 of the Texas Election Code, appoint the following central counting station officials:

To ensure the accuracy of reported election returns, results printed on the tapes produced by Williamson County's voting equipment will not be released to the Participating Authorities at any individual polling locations.

The Elections Administrator will prepare the unofficial canvass reports that are necessary for compliance with Election Code Section 67.004, after all precincts have been counted and will deliver a copy of the unofficial canvass to each Participating Authority as soon as possible after all returns have been tabulated. Each Participating Authority shall be responsible for the official canvass of its respective election(s). The official canvass of election shall not take place before November 13, 2014 and no later than November 18, 2014.

The Elections Administrator will prepare the electronic precinct-by-precinct results reports for uploading to the Secretary of State as required by Section 67.017 of the Election Code. Each Participating Authority agrees to upload these reports unless requested otherwise.

The Elections Administrator shall be responsible for conducting the post-election manual recount required by Section 127.201 of the Texas Election Code unless a waiver is granted by the Secretary of State. Notification and copies of the recount, if waiver is denied, will be provided to each Participating Authority and the Secretary of State's Office.

Williamson County Elections will consider conducting elections in territories outside of Williamson County on a case-by-case basis.

X. RUNOFF ELECTIONS

Each Participating Authority shall have the option of extending the terms of this Contract through its runoff election, if applicable. In the event of such runoff election, the terms of this Contract shall automatically extend unless the Participating Authority notifies the Elections Administrator in writing within 3 business days of the original election.

Each Participating Authority shall reserve the right to reduce the number of early voting locations and/or Election Day voting locations in a runoff election. If necessary, any voting changes made by a Participating Authority between the original election and the runoff election shall be submitted by the authority making the change to the United States Department of Justice for the preclearance required by the Federal Voting Rights Act of 1965, as amended.

XII. WITHDRAWAL FROM CONTRACT DUE TO CANCELLATION OF ELECTION

Any Participating Authority may withdraw from this Contract and the Joint Election should it cancel its election in accordance with Sections 2.051 - 2.053 of the Texas Election Code.

The Elections Administrator is hereby appointed general custodian of the voted ballots and all records of the Joint Election as authorized by Section 271.010 of the Texas Election Code.

Access to the election records shall be available to each Participating Authority as well as to the public in accordance with applicable provisions of the Texas Election Code and the Texas Public Information Act. The election records shall be stored at the offices of the Elections Administrator or at an alternate facility used for storage of County records. The Elections Administrator shall ensure that the records are maintained in an orderly manner so that the records are clearly identifiable and retrievable.

Records of the election shall be retained and disposed of in accordance with the provisions of Section 66.058 of the Texas Election Code. If records of the election are involved in any pending election contest, investigation, litigation, or open records request, the Elections Administrator shall maintain the records until final resolution or until final judgment, whichever is applicable. It is the responsibility of each Participating Authority to bring to the attention of the Elections Administrator any notice of pending election contest, investigation, litigation or open records request which may be filed with the Participating Authority.

XIV. RECOUNTS OR CONTESTED ELECTION

A recount may be obtained as provided by Title 13 of the Texas Election Code. In the event of a contested election, the expenses of a new election ordered by a court of competent jurisdiction or Participating Authority will be paid for and by the Participating Authority in accordance with Texas Election Code 221.014

The Elections Administrator agrees to provide advisory services to each Participating Authority as necessary to conduct a proper recount.

XV. MISCELLANEOUS PROVISIONS

2. Nothing in this Contract prevents any party from taking appropriate legal action against any other party and/or other election personnel for a breach of this Contract or a violation of the Texas Election Code.
3. This Contract shall be construed under and in accord with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Williamson County, Texas.
4. In the event that one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not
