Leane,

Thank you for the email. We spoke with Nikki Hoelter, in addition to yourself, and it was confirmed that the front yard setback was a planning commission variance. That being said, you are clear to mark our case, C15-2014-0093, as withdrawn.

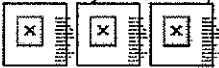

Thank you for your time and help on this case.

We're sending packet to printer today, thought I would mark your case withdrawn on the agenda if that is the case – maybe you haven't completely decided yet?
