**Additional Backup Information**

The Travis County Sheriff’s Office operates the Central Booking Facility at the Travis County Criminal Justice Center located at 500 West 10<sup>th</sup> Street. Since 1998, the City of Austin and Travis County have shared the costs of operating the Central Booking Facility via an Interlocal Agreement.

This one year only agreement, which will run from October 1, 2014 to September 30, 2015, includes one additional FTE added by Travis County for pretrial services as well as step increases for their sworn staff. The model also includes health insurance and wage increases for both entities. The agreement maintains the 90% credit for the City share of costs that was included in the three prior one year contracts. Due to true-up provisions in the agreement, the actual amount paid could increase or decrease based on overall activity and final costs at the booking center.

Both entities have agreed to continue a one year commitment in order to review options for Central Booking operations beyond Fiscal Year 2015.
