Additional Backup Information

This contract is for the supply of original equipment manufacturer (OEM) parts and repair services for the 92 City owned Freightliner truck cab and chassis vehicles on an as needed basis. Fleet Service technicians will perform general routine repair and maintenance services for vehicles. The Contractor will be used to augment the work performed by the City's Fleet Service Center technicians by providing other repair services.

This contract is necessary to support Fleet Service Centers with a reliable and continuous source of supply to purchase these OEM parts and warranty repair services. Austin Truck is the only Dealer in Austin and the surrounding areas authorized to sell Freightliner OEM parts and perform warranty services on all Freightliner vehicles.
