

LANCE ARMSTRONG BIKEWAY (LAB) DEVELOPMENT: EAST AUSTIN

Connection would require collaboration with ATD for the provision of a cycletrack.

LAB is a shared facility in the street with sharrows until reconstruction.

The City and Endeavor are coordinating construction of an off-street LAB.

The City is working with developers on the construction of the off-street LAB in this section.

The City is working with CapMetro and TXDOT on the realignment of the LAB in this section.

The majority of this section will be resurfaced in 2015 and ATD will pursue a two-way cycle track with parking on one side.
