**Additional Backup Information**

This lease renewal allows for the continuation of the First Workers' Day Labor program. The purpose of this program is to link day laborers to employers in a safe and controlled environment. Program staff register and collect information from day laborers and employers on a daily basis to help match each laborer's skills with appropriate jobs. Staff also reaches out to potential employers, promoting the center's services that could result in additional job opportunities for laborers.

The proposed rental rate is \$21.50 per square foot annually and includes approximately \$99,375 of finish-out repairs and improvements. The proposed monthly rental rate structure includes 2.5% annual increases and pass-throughs of property taxes over a 2014 base rate.
