

RESTRICTIVE COVENANT TERMINATION REVIEW SHEET

CASE: C14-99-2061(RCT)
Springdale Farm

P.C. DATE: October 14, 2014
October 28, 2014

ADDRESS: 755 Springdale Road

AREA: 4.848 acres

OWNER/ AGENT: Glenn M. & Paula Foore

ZONING: CS-MU-CO-NP

SUMMARY STAFF RECOMMENDATION:

Staff supports the proposed Restrictive Covenant Termination (RCT).

The RCT would remove a requirement that the property rollback zoning from general commercial services-mixed use-conditional overlay-neighborhood plan (CS-MU-CO-NP) combining district zoning to family residence-neighborhood plan (SF-3) district zoning and limited industrial services (LI) zoning if the property ceased for ninety (90) days to contain one of the following land uses: construction sales and services, agricultural sales and services, building maintenance services, and plant nursery. Please refer to *Exhibit A (Restrictive Covenant)*.

PLANNING COMMISSION RECOMMENDATION:

October 14, 2014: PULLED – NO ACTION TAKEN; TO BE RE-NOTICED FOR OCTOBER 28, 2014

October 28, 2014: TO GRANT RESTRICTIVE COVENANT TERMINATION, (8-0) [J. Nortey- 1st, A. Hernandez- 2nd]

ISSUES:

A rezoning (C14-2014-0123) and a Neighborhood Plan Amendment (NPA-2014-0016.02) to the Govalle- Johnston Terrace Neighborhood Plan have been filed in conjunction with this rezoning request. Both the rezoning and NPA are recommended for approval by Staff. The neighborhood contact team has filed a petition against approval of all three proposed applications; currently the petition does not have enough signatures to meet Valid Petition requirements. Please refer to *Exhibit B (Neighborhood Petition)*.

DEPARTMENT COMMENTS:

The subject property is located between Springdale Road and Mansell Avenue, with frontage on both streets. It is a half-block north of Gonzalez Street and a half-block south of Glissman Road. The property is currently developed with an urban farm land use. Immediately to the north are single family residences and a church zoned SF-3-NP. To the east, across Mansell Avenue, is the former Allen Elementary, which is zoned P-NP, and is currently used as an AISD storage facility. Immediately south of the subject property are single family residences zoned SF-3-NP. Across Springdale Road to the west are single family residences zoned SF-3-NP and a police substation zoned P-NP. Please refer to *Exhibits C and D (Zoning Map and Aerial Exhibit)*.

ZONING HISTORY:

The subject tract was zoned LI and SF-3 upon annexation. The properties in the annexation area were zoned based on their existing land uses. In 1998, The Planning Commission initiated rezoning most of the industrial properties in the area to SF-3 zoning, but the case was withdrawn by Commission about two months later. Please refer to *Exhibit E (1998 Zoning Map)*.

In 1999, the property was rezoned from LI and SF-3 to CS-MU-CO-NP, and the above-referenced restrictive covenant (RC) was established. The land use at the time was landscaping and lawn maintenance. In addition to the RC, the conditional overlay attached to the zoning was significantly more restrictive than the previous LI zoning or the base CS zoning. The rezoning in 1999 granted general commercial services-mixed use (CS-MU) as the base zoning, but the conditional overlay prohibited the following land uses: Hospital Services (General), Maintenance and Service Facilities, Art and Craft Studio (General), Automotive Rental, Automotive Repair Services, Automotive Sales, Automotive Washing (Of Any Type), Business or Trade School, Business Support Services, Campground, Commercial Blood Plasma Center, Commercial Off-Street Parking, Consumer Convenience Services, Consumer Repair Services, Convenience Storage, Drop-Off Recycling Collection Facility, Electronic Prototype Assembly, Equipment Repair Services, Equipment Sales, Limited Warehousing & Distribution, Exterminating Services, Community Recreation (Public & Private), Financial Services, Food Sales, Funeral Services, General Retail Sales (Convenience), General Retail Sales (General), Kennels, Laundry Services, Monument Retail Sales, Off-Site Accessory Parking, Outdoor Sports and Recreation, Pawn Shop Services, Personal Improvement Services, Personal Services, Pet Services, Research Services, Restaurant (Drive-In, Fast Food), Restaurant (Limited, General), Service Station, Theater, Vehicle Storage, Veterinary Services, Custom Manufacturing, Club or Lounge, College and University Facilities, Congregate Living, Residential Treatment, Transitional Housing, Transportation Terminal, Hotel-Motel, Indoor Entertainment, and Indoor Sports and Recreation. Please refer to *Exhibit F (Zoning Ordinance)*.

In addition to the CS-MU-CO-NP zoning designation, a Restrictive Covenant was filed in conjunction with the zoning case. This Restrictive Covenant requires the property to rollback to SF-3 (now SF-3-NP) The RC stated that the owner of the property would not protest a "rollback" of the zoning of the property, which would return to family residence (SF-3) and limited industrial services (LI) zoning if the property ceased for ninety (90) consecutive days to contain one of the following land uses: construction sales and services, agricultural sales and services, building maintenance services, and plant nursery. The current land use is urban farm, which has prompted the Applicant's request.

SUMMARY STAFF RECOMMENDATION:

Due to the significant number of limitations attached to the current zoning, Staff supports termination of the Restrictive Covenant that would require the SF-3-NP rollback. Additionally, the rollback would result in approximately 1.14 acres of LI zoning along Springdale Road with no conditional overlays. This would be significantly more permissive than the existing CS-MU-CO-NP on the whole 4.848 acre property.

BASIS FOR LAND USE RECOMMENDATION (ZONING PRINCIPLES)

1. . Zoning changes should promote an orderly and compatible relationship among land uses.

A zoning rollback would result in approximately 1.14 acres of LI zoning along Springdale Road with no conditional overlays. This would be significantly more permissive than the existing CS-MU-CO-NP on the whole 4.848 acre property.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	CS-MU-CO-NP	Urban Farm
<i>North</i>	SF-3-NP, LR-MU-NP, P-NP	Residences, Religious Assembly, Police substation
<i>South</i>	SF-3-NP, CS-MU-CO-NP	Residences
<i>East</i>	P-NP	AISD facility
<i>West</i>	SF-3-NP, LO-MU-CO-NP	Residences, Undeveloped

Postponement Request to after Nov. 8th: Springdale Farm

Planning Commissioners,

There is a valid petition opposing the FLUM change and the prohibited use change for Springdale Farm, which has been signed by 22 of the 33 households surrounding Springdale Farm. This petition was submitted at the Sept. 14th meeting convened at Willie Mea Kirk Library by City staff person Maureen Meredith.

At that meeting there were no details or specifics given on the City's governing criteria for an outdoor event center, what the rules for an outdoor event center look like or what specifically the applicant was proposing.

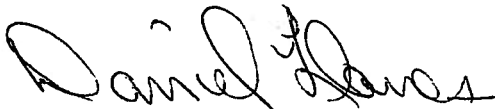

It wasn't until I got an email from City staff person Heather Chaffin on Oct. 7 outlining staff recommendations. This was the first time any of us saw any detail or specific criteria for what is being proposed. The Contact Team and the immediate neighbors did not have this information on or prior to Sept. 14th, and we have not had the opportunity to discuss this as a group.

This is why today we are opposed to any proposed changes.

As I communicated to you all in a previous email, the Govalle/Johnston Terrace Neighborhood Contact Team meets next on November 8th.

We are asking for a postponement so that the affected stakeholders have the opportunity to see what a specific proposal for operation, and what the City's governing criteria for such an operation look like, and to see if we can come to a mutually beneficial agreement.

I will say that we are categorically opposed and will continue to oppose any change to the FLUM and termination of conditional use overlay, but we are willing to consider the prohibited use change if we can find common ground.

Daniel Llanes, Chair

Govalle/Johnston Terrace Neighborhood Contact Team

Representing the 22 homeowners who signed the Valid Petition
