If proposing the name of an individual, include a biographical description of nominee:

Edward Reznicek is a retired architect and planner. He was a long-time Austin resident who now resides in Cedar Creek, TX. He and his wife, Lois, have two children and multiple grandchildren. As mentioned above, Ed was one of the founders of UHO. In the late 1960's, he and two others worked with the City of Austin Wastewater and Watershed Dept to secure the use of the land at 401 W. St. Johns in order to offer baseball to the boys in that area of town. Over the past 40+ years, with the help of UHO and other volunteers, Ed has served as lead on many projects at the site that has allowed the club to grow from a field that offered baseball to teen boys to the current facilities and fields that have provided the opportunity for literally thousands of girls and boys of all ages to play baseball, kickball, and soccer over the years. He has served the youth of Austin greatly for almost 45 years and continues to be a vital part of UHO. If it were not for the efforts
