Subject: Letter For Street Naming for Arnulfo

Date: Wed, Dec 3, 2014 9:41 am

Yolanda,

Nice talking to you and Richard. Here is the letter we need to send to the city of Austin. If you find acceptable please send it right away to April.Theodford@austintexas.gov. And please send a copy to Sarah and me as well. If you need anything please call.

Dear City of Austin,

It is wonderful that the City of Austin is naming a park road for our father Arnulfo Alonso. Since we lived in the cottage behind the Zilker Park Clubhouse my father traveled the park road multiple times a day for 40 years. A conservative number would be 75,000 trips along the winding road! Our family traveled the same road many thousands of times.

My family and I are in full agreement to allow the City of Austin to honor my father, Arnulfo Alonso, by naming this roadway- Arnulfo Alonso Way- for him. Thank you for all of your help. Should you need and more information please do let me know.

Yolanda
