Custom Coach™

Company Introduction

Farber Specialty Vehicles' 60,000 square foot manufacturing and assembly plant is located next to I-70 in Columbus, Ohio, just ten minutes from the Columbus International Airport.

A talented workforce with an extremely high retention rate has been the cornerstone of Farber Specialty Vehicles' success. Our team leaders oversee a staff of more than 120 skilled craftsmen and have been in the industry from ten to thirty years.

Our electrical and mechanical engineering staff is dedicated to custom designing bodies and interior floor plans with AutoCAD and Solid Works computer design systems.

Production includes custom-built mobile units for police, medical, veterinary, Homeland Security, communications, education, and business interests both nationally and internationally.

Warranty information and assistance are provided for all components to assure your purchase works to the fullest capacity throughout the life of the vehicle. Delivery and training are provided by experienced technicians.

In 2002, Farber purchased the assets of Custom Coach Corporation, a well-known manufacturer of executive and entertainer transportation since 1955. Together, our commitment to quality and innovation has proven itself in each vehicle we build and every customer we keep.
