### Additional Backup Information

This contract is for the supply of original equipment manufacturer (OEM) parts and repair services for City owned Navistar engines on an as needed basis. Fleet Service technicians will perform general routine repair and maintenance services for vehicles. The Contractor will be used to augment the work performed by the City's Fleet Service Center technicians by providing other repair services.

This contract is necessary to support Fleet Service Centers with a reliable and continuous source of supply to purchase these OEM parts and warranty repair services. Longhorn International is the only dealer in Austin and the surrounding areas authorized to provide Navistar OEM parts and perform warranty services on all Navistar engines.
