------------	--

Additional Backup Information

Approval of this interlocal agreement with the Texas Facilities Commission (TFC) will allow the City to dispose of office furniture, file cabinets, and other property. By partnering with TFC, the City can avoid using warehouse space for storage of surplus items and sell the surplus in a more efficient manner. In addition, this contract allows the City to make purchases from TFC through the proceeds earned when City surplus property is sold.

The TFC operation is open to the public. Citizens may purchase surplus property at a fair market value assigned by TFC staff through various means including online auctions. The City also utilizes online surplus auction sites and a live local auction company to auction vehicles, equipment, tools, office furniture, electronics, and other miscellaneous items.
