Temporarily closing any portion of a street for a Street Event that requires the public to pay to enter the closure area requires City Council approval under Section 14-8-3 (B) of the City Code. The applicant is in the process of complying with all other requirements for this street event. This will be the last year this event will be held at this location. Art City Austin will not occupy Cesar Chavez Street for their festival in 2016. The Austin Transportation Department has no objections to this year's request contingent on all other requirements being met.
