

We create housing where families succeed

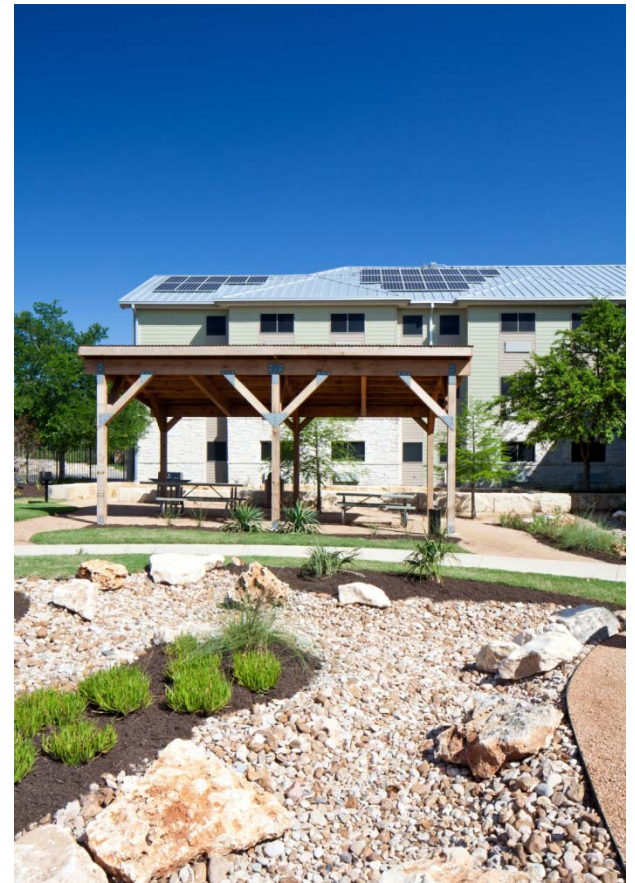

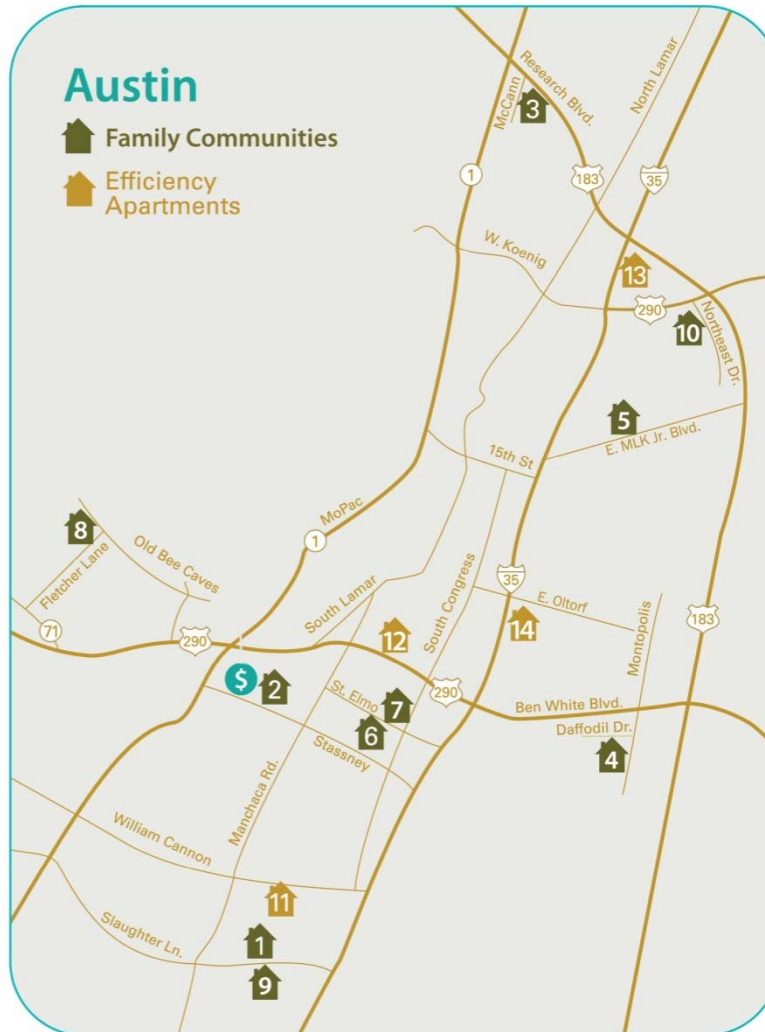

Visit www.foundcom.org for more information

Founded in 1990, Foundation Communities is a nonprofit organization that offers high-quality, affordable apartments and duplexes with community resources right at your doorstep. With 14 communities in Austin and 3 in North Texas, over 5,000 residents call our communities home.

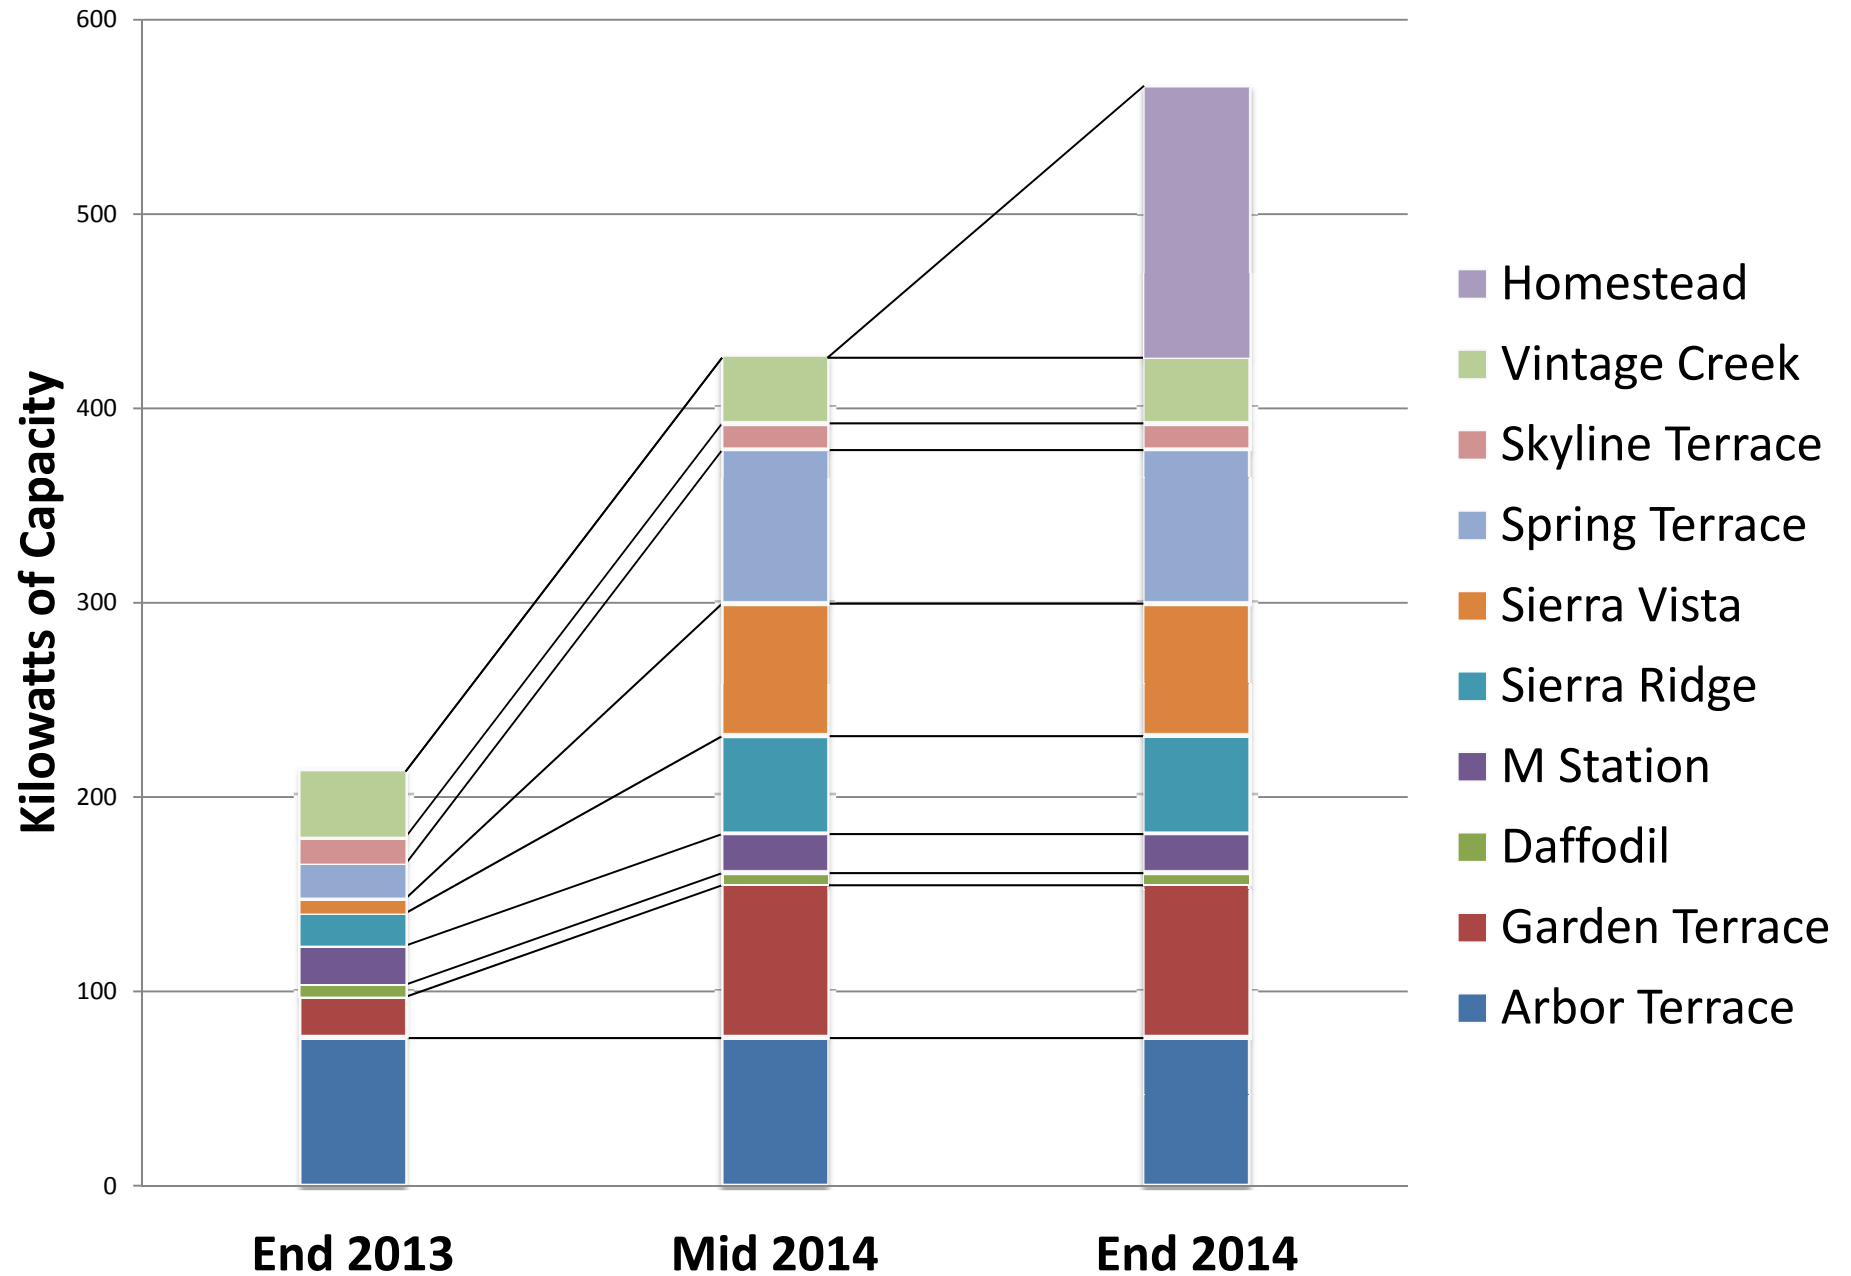

We offer the following free opportunities at our communities:

- After-school and summer youth programs
- Computer labs
- Tax preparation
- Money management classes and savings programs
- ESL and GED courses
- Fitness & nutrition classes
- Gardening & green workshops

FC Solar Capacity

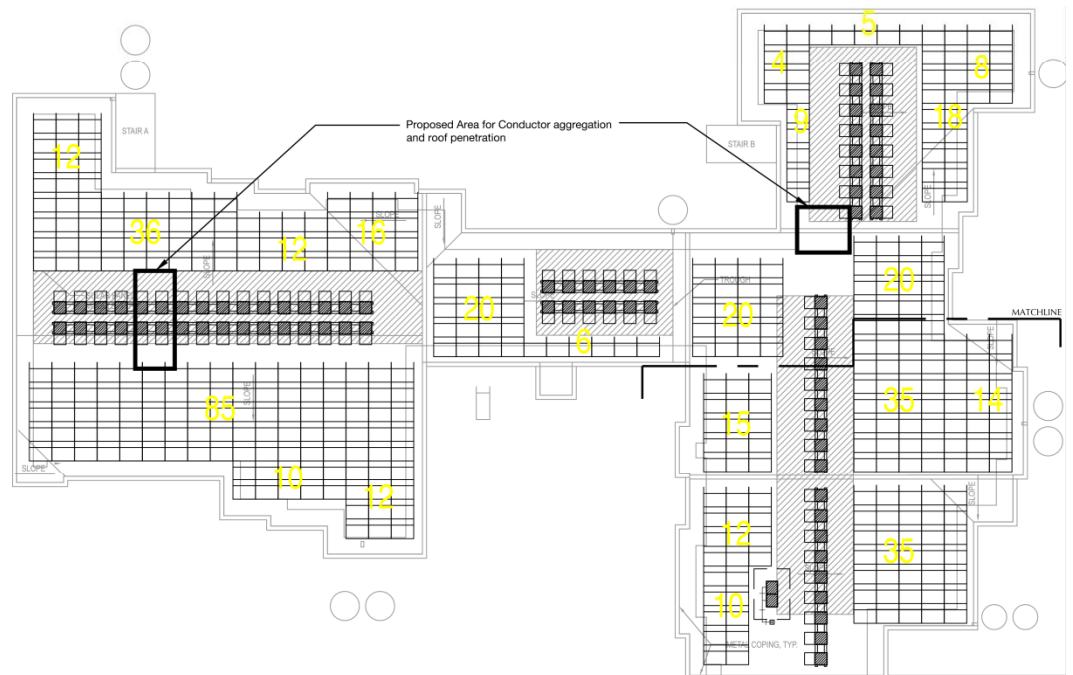

Homestead Apartments

-190 kW over 140 apartments

- Costs are 15-20% higher due to 140 interconnects, 140 rebate applications, 140 inspections, lots of extra wire, etc.

- Financing combines AE rebate + federal solar ITC + *proposed* utility allowance adjustment

Current + Future Communities

- 3 more multifamily properties with goals for solar to residents
- First net zero commercial building

NEED Austin Energy help

- Work for solution with reduced interconnect (“free” for AE)
- 25% nonprofit rebate boost (similar to other AE efficiency incentives)
- Increase commercial net metering cap to match PBI cap (20kw -> 200kW)
