MBE / WBE:

This cooperative contract will be awarded in compliance with City Code Chapter 2-9D Minority-Owned and Women-Owned Business Enterprise Procurement Program. No subcontracting opportunities were identified; therefore, no goals were established for this contract.

Additional Backup Information

The contract will provide a reliable source for the purchase of industrial supplies, equipment, and tools used by various City departments to repair and maintain facilities and equipment throughout the City on an as-needed basis. Staff will have quick and reliable access to all products available from W. W. Grainger's on-line ordering system. The list of items available to the City include a wide variety of repair and maintenance equipment and supplies that include, but are not limited to: electrical, plumbing, fleet vehicle maintenance shop and testing equipment, heating, ventilation and air conditioning testing and maintenance equipment, janitorial equipment and cleaning supplies, electrical hand tools, hardware, safety equipment and supplies, small electrical motors and generators, lighting,

security, and test instruments.

W. W. Grainger, Inc. is contracted through National Joint Powers Alliance with public entities nation-wide. This cooperative purchasing program was established as a national structure for local government agencies to use their collective purchasing power and is authorized under the provisions of the Interlocal Cooperation Act, Chapter 791, Texas Government Code. W. W. Grainger has been in the Austin area since the early 1970's with two locations that employ 75 people locally.

W. W. Grainger operates an extensive Supplier Diversity Program which is currently composed of 441 Texas suppliers – including one City of Austin M/WBE firm and one State of Texas HUB firm. W. W. Grainger's suppliers are categorized as Small Businesses based on US Federal government guidelines. Suppliers under this program must be a U.S. citizens who satisfy federal ownership requirements for small, woman, minority, veteran, hub zone, LGBT, disabled, or a disadvantaged individual and/or group. The diversity principal business owner must own, control and operate 51% of the business to be certified.

The current contract will expire on March 31, 2015 and is utilized for daily operations and emergency situations, like the City experienced during the 2013 Halloween floods. Without this contract it will limit our ability to respond quickly to demands in an emergency situation. Additionally, the City will incur extra expenses to purchase the necessary supplies, equipment, and tools.
