Date: March 23, 2015

Subject: Animal Services Web Site

Motioned By: Meghan Turner-Wells

Seconded By: Babette Ellis

**Recommendation;**

*The Animal Advisory Commission recommends to City Council to direct the City Manager to explore a more robust and accessible web presence with Corporate PIO for Animal Services Office and to include online applications for the adoption, foster and volunteer programs.*

**Description of Recommendation to Council;**

*The commission recommends providing a stand alone web site for Animal Services similar to the one provided for Libraries.*

**Rationale:**

*The current system does not allow for on-line adoption/foster applications or volunteer training. This is a huge impediment to improving live outcomes.*
