Additional Backup Information

In September of 2014 the City Council approved Resolution No. 20140925-092 to change the amendment process for the East Riverside Corridor (ERC) Regulating Plan. Currently, a change to the ERC Regulating Plan is treated like a zoning case; however, this does not necessarily give Neighborhood Contact Teams the opportunity to meet with the applicant or weigh in on the proposed change. The proposed code amendment will allow for Contact Teams to be notified; will require an applicant – Contact Team meeting; and will give Contact Teams an opportunity to submit a letter on the proposed ERC Regulating Plan change.
